TOWN OF WILMINGTON

MASSACHUSETTS

BOARD OF SELECTMEN

To the Citizens of Wilmington:

1981 was a year of controversy, change, and growth for the Town of Wilmington. The controversies that we faced were: Proposition 2½ and budget cuts, local aid, elderly and scattered-site family housing, arcades, and flammable permits. The public's reaction to issues made us aware of the delicacy of the public trust. Every concern we were faced with had its pros and cons. Long hours of debate and discussion gave us the direction to best guide the Town.

For example, the dictates of Proposition 2½ caused the Town to cut $1.5 million from the tax levy and the result was a $13.50 drop in the tax rate from $80.50 to $67.00. This price was paid for by budget cuts in all departments. On the other hand, the average homeowner felt the real impact of this tax cutting measure by a $300 drop in their FY-1982 tax bill.

In January, 1981, the Department of Housing and Urban Development returned the Town's application for a continuation of our successful housing rehabilitation program. Their reason for HUD's action was the allegation that the Town was not meeting its housing assistance needs.

We conducted numerous public hearings to obtain your views on many subjects including: arcades and flammable permits. Some of these hearings filled the Town Hall with citizens exercising their right of freedom of speech. You came to be heard and you were.

The changes that affected the Board were several. Town Manager Sterling C. Morris retired on June 30, 1981, after fourteen years of faithful service to the Town. The Assistant Town Manager was appointed the new Town Manager. In August Selectman Aldo A. Caira was elected the National President of the Order of Sons of Italy in America. The Board voted to fill his vacancy with his son Michael A. Caira, a former selectman. Later in the fall we were informed that Wilmington will be redistricted from the 5th Massachusetts Congressional District to the 7th. This will change our congressman from James M. Shannon to Edward J. Markey.

Wilmington's growth was noted in the addition of several new industrial and commercial buildings: Honeywell's optical facility on Fordham Road, Digital's 200,000 sq. ft. plant on Ballardvale Street, Reading Savings Bank bright, new office on Main Street, and the opening of the Quinn Building, formerly Reading Savings Bank. We are pleased to welcome these businesses to Town.

The Town's Water and Sewer Commissioners celebrated the opening of their new water treatment plant in October. This made the local TV news because the plant is the first one in New England to remove TCE from the water supply.

As we approach the 1982 Annual Town Meeting, we will be faced with a most difficult decision, which is "How will we approach the second year of Proposition 2½?" In arriving at this decision we should not lose sight of the fact that the municipality has valuable services to provide to the community.

As your Board of Selectmen we are aware of the problems that face the Town, and we will continue to provide the leadership to solve them in a businesslike manner.

Respectfully submitted,

A. John Imbimbo

Michael A. Caira

TOWN OF WILMINGTON
MASSACHUSETTS 01887

OFFICE OF THE
TOWN MANAGER

AREA CODE 617
658-3311

To the Honorable Board of Selectmen and Citizens of Wilmington:

It is a pleasure to present the Town of Wilmington's 1981 Annual Report. This is the thirtieth such report to be presented by a Town Manager. Dean Cushing, Wilmington's first Town Manager, in 1951 wrote "To do the best job for the entire town, it is essential to establish complete coordination and cooperation between all departments. This is accomplished only when all concerned can see that all functions are for the good of the entire town and not for a single department or section." These words are as true for 1981 as they were in 1951. As our resources become more limited, this is the challenge that lies ahead in the 1980's.

The year 1981 saw a change in the Town's administration. Sterling C. Morris retired after fourteen years of service as the Town Manager. During his tenure, he enlivened and fostered two important themes: professionalism and stability in the management of the municipal government.

These two themes were necessary in the decade of the 1970's, and are integral to the town's administration in the 1980's. In the ever-changing environment of municipal management, the goals of professionalism and stability are guiding lights.

In review, 1981 witnessed a variety of fiscal ups and downs for the town.

- The tax rate dropped to $76.00 per $1,000, a reduction of $13.50 from the previous tax rate of $80.50.

- The levy limit had to be reduced by $1.4 million. This loss in tax dollars forced the town government to eliminate some public services and personnel through layoff and attrition.

- The town's equalized valuation was increased from $376,900,000 to $449,395,000. The local aid distributed from the state was increased by $331,103.

- The revaluation of all property in town is now in progress. It will be completed prior to setting the FY-1983 tax rate.

- The town's Silver Lake Interceptor Sewer project is nearing completion. The town's share of the cost is $2.9 million to be financed by a general obligation bond. The industrial and residential users of the system will pay for most of it by betterment assessments and user charges. The balance will be paid by the taxpayers.

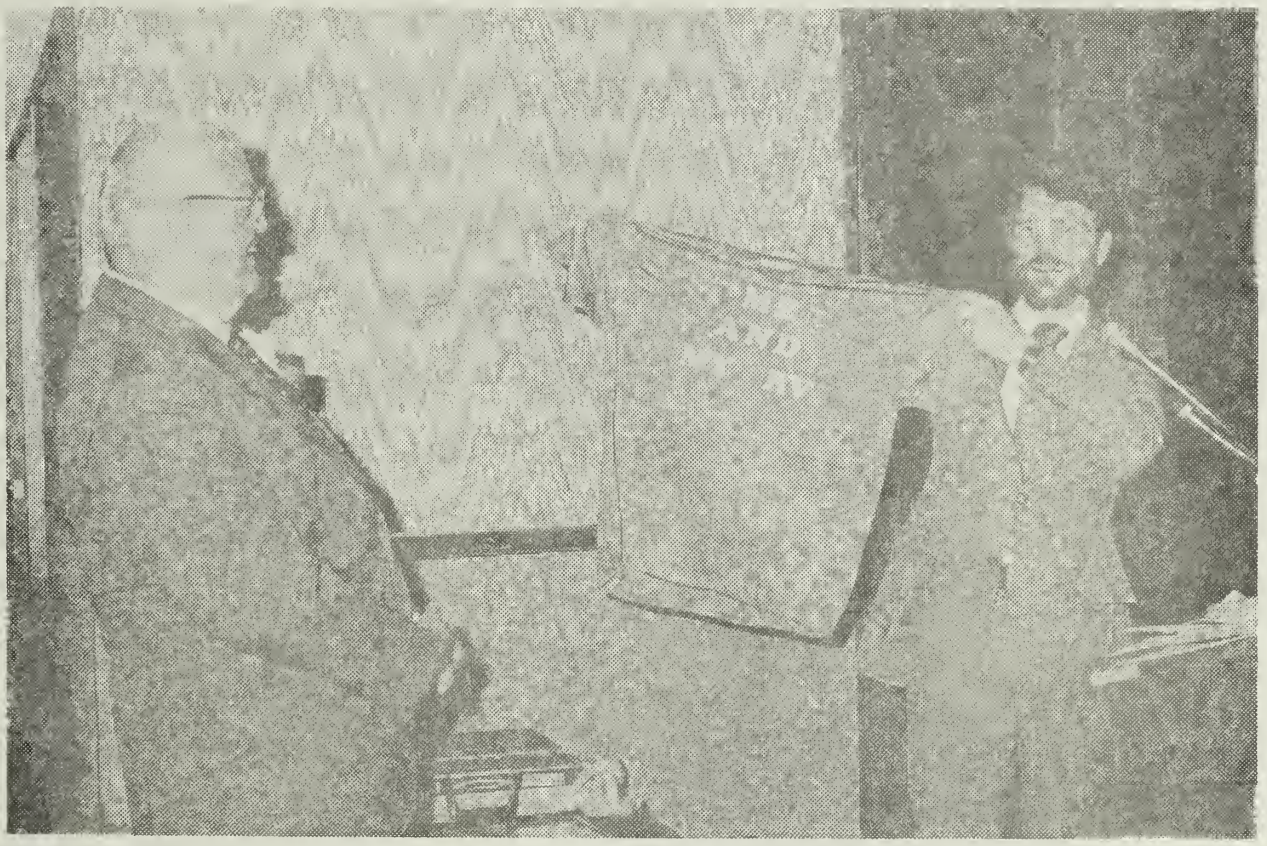
The 1981 Annual Report which you have in your hands represents the efforts of all town departments, boards and committees. It captures the essence of the year past. To have your voice heard in the year 1982, please vote in the Annual Town Election and attend the Annual Town Meeting.

Our American heritage of freedom and independence can only be preserved by active citizens participating in their local government.

Respectfully submitted,

Reginald S. Stapczynski

Reginald S. Stapczynski
Town Manager



Past and present Town Managers,
Sterling Morris and Buzz Stapczynski

Town Treasurer

GENERAL FUND

Cash on Hand 7/1/80	$ 615,166.48
Receipts Fiscal 1981	84,630,911.21
Disbursements Fiscal 1981	-83,520,919.55
Cash on Hand 6/30/81	$1,725,158.14

REVENUE SHARING

Cash on Hand 7/1/80	$ 58,272.94
Receipts Fiscal 1981 (including earnings)	604,310.46
Disbursements Fiscal 1981	-590,251.10
Cash on Hand 6/30/81	$ 72,332.30

During calendar 1981, it was necessary to borrow once in anticipation of tax revenue.

INVESTMENTS

During calendar 1981, the program of investing idle funds in Certificates of Deposit, U.S. Treasury Note repurchase agreements, and daily interest accounts was continued with the following results:

Designation of Funds	Calendar 1981 Earnings
Revenue Sharing	$ 28,399.92
General Funds	
Investments	447,955.94
Daily Interest Accounts	45,329.95
Total Calendar 1981 Earnings	$ 521,685.81

The cash flow and investment program is greatly assisted through the cooperation of the Town Accountant Robert Peters (by projecting estimates of warrants), the Town Collector Marion Murphy (by timely advice of Collector's deposits), and the Assistant Town Treasurer Elizabeth Fosgate (by carrying much of the load of this department while the Treasurer is tied up in the investment program). The Treasurer thanks all these people sincerely.

Town Clerk

Vital Statistics - Chapter 46, General Laws as amended:

Births - Final figure for 1980	191
Births - Actually recorded for 1981	204
Marriage Intentions recorded for 1981	158
Marriages recorded for 1981	156
Deaths recorded for 1981	134

Chapter 46, Section 15:

The Town Clerk will furnish to parents, householders, physicians, and registered hospital medical officers applying therefor, blanks for the return of births as required by law.

Chapter 207, Section 19, 20 & 40:

Chapter 718, Acts of 1979 made changes in the laws pertaining to marriage filings. Couples file only in one town, any town in the state but must file together, because of the constant changes in the laws the Town Clerk suggests contacting her office prior to any plans for the above.

Chapter 207, Section 45:

Fifty-nine burial permits have been issued by the Town Clerk as Special Agent for the Board of Health for the year. Nineteen out-of-state deaths were reported and filed in this office. Twenty-three Wilmington Veterans were buried in Wildwood Cemetery.

TOWN RECORDS

Permits and Certificates of Registration for the Storage of Inflammables:

Inflammable Permits are issued by the Board of Selectmen through the Town Clerk. Notice is sent to owner or occupant of the land where the storage is located on or about March 15 for renewal by April 30 of each year. If not registered on time, or failing to comply with the board's regulations may result in revocation of the permit after a public hearing.

One hundred and nine Flammable permits were issued during the year.

Permits & Recordings:

Uniform Commercial Code recording	278	Business Certificates issued	50
Uniformed Commercial Code terminations	24	Business withdrawals	3
Federal Lien recordings	5	Fish & Wildlife licenses	859
Federal Lien releases	13	Pole locations	12
Dog licenses issued	1,708	Medical registrations	2
Duplicate dog tags	12	Raffle & Bazaar permits	14

Other Services:

Keep minutes of Annual and Special Town Meetings up-to-date. (Certify same upon request.)
The Town Clerk has complete charge of elections and providing the State with results of State Elections and any changes in Town by-laws.
Provide the County of Middlesex with up-to-date list of all persons over the age of 17 years for Jury Pool.
Certify an undetermined number of births, marriages and deaths.
Certify an undetermined of birth abstracts for use in school entrance, driver licenses, out-of-state travel and job applications.
Supply proof of residence by letter or card - used for college entrance.
Provide for sale miscellaneous books and maps.
Receive writs against the Town and forward copies of same to the Town Counsel.
Occasionally appear in court for the Town, when summoned - producing all papers and maps required.
Complete notes of the Town as received from the Town Treasurer - after approval by the Board of Selectmen. Certify same.
Record Board of Appeals application and decisions and certify same as provided in Chapter 41A, section 11 & 15 of the Massachusetts General Laws.
Keep a file of decisions by the Town Counsel.
Record minutes and decisions of the Planning Board.
Keep a file of Annual Reports and Person listed books.
Keep a file of all Zoning and Town By-law changes as approved by the Attorney General.
Swear town officers and board members to the faithful performance of their duties and keep a record of same.
Accept business registrations and keep a file for public use.
Prepare the Town Ballot for the voting machines and order the printing of same.
Supervise payrolls for the Town Meetings and Election workers.
Supervise the distribution and filing of nomination papers and the report of campaign and political finance expenditures.

By virtue of her office, the Town Clerk is clerk to the Board of Registrars. In this capacity, she has met with the Board of Registrars on a regular monthly meeting night, as well as, special meetings, kept the minutes of the meetings up-to-date, supervised the Annual Town Census by mail, kept the voting lists up-to-date, and registered voters during regular office hours of the Town Clerk. She also meets with the Board for special evening sessions to register voters and to certify nomination papers.

The Town Clerk also has the designation as Justice of the Peace for the Town.

Dog Officer

Dogs Licensed	1703
Dogs Confined	477

Library Trustees

During the past fiscal year, the Wilmington Memorial Library has continued to supply an excellent level of service to the patrons of the Town, despite a reduction of $41,299.00 in the operating budget. Three key elements made this possible.

1. The outstanding performance and cooperation of the Library Staff to extend the hours of Library operation and service to the patrons to the maximum.

2. The cooperation of the Finance Committee in recommending a single line item budget when requested to do so by the Library in order to allow the flexibility needed to stay within the budgeted amount.

3. The confidence of the voters at the Annual Town Meeting in approving the single line item as requested.

The economic forecast indicates to us that the year ahead will be more difficult than the one just completed, with the purchasing power of our dollars diminishing far more than the approximate 2 1/2 percent increase in budget level. However, in spite of this, the Trustees take this opportunity to assure the residents of Wilmington, that the Wilmington Memorial Library will continue to operate in the manner you have every right to expect.

Library Director

In accordance with the statutes of the Commonwealth of Massachusetts and the By-Laws of the Town of Wilmington I hereby submit my annual report with its accompanying statistics for the calendar year 1981.

For the past two years, my report has largely been devoted to "economic" matters. 1981 can be no different. Prior to the impact of "Proposition 2 1/2" the Library's operating expenses had been frozen, and governed by two years of mandated 4% Caps on appropriations. Traditionally, the Memorial Library has been dependent upon local tax support and highly vulnerable to budgetary cuts. This vulnerability became a primary concern in 1981. As a result of the passage of "Proposition 2 1/2", our total budget was reduced by $41,299. General operating expenses for books and materials were reduced by 34%, the full-time staff was reduced by 22% -- a loss of two positions, and the part-time budget was reduced by 50%.

Inflation has eroded the Library's purchasing power, and as a consequence of "Proposition 2 1/2", further reductions had to be made in all areas including subscriptions to various magazines, expensive business and legal services, circulation art and recordings, and even some limits on requests to purchase recommended books and library material. While still striving to meet the highly diverse needs of our users, we had to make difficult choices. The special interests of some had to be weighed against the interests of others because it was vital to maintain a balance within the Library's broader collections. One of the most visible service cuts was made in the elimination of passes which provided free admission to Boston area museums. Although many expressed disappointment, priority had to be given to maintaining the vitality of the Library's holdings. Throughout 1981, the Library successfully maintained its tradition of providing full reference service, and emphasis continued to be placed upon keeping its information current, accurate, useful, and in sufficient depth. Pre-school and other traditional children's programs had to be eliminated or drastically reduced. Joint cooperation with the Town's Recreation Department, however, permitted the "Tiny Tots Program" to continue by utilizing the Library's facilities.

Another visible impact was the necessity of reducing the Library's hours of operation in order to achieve maximum staff utilization. During the summer, in addition to being closed on Saturdays, the Library closed Friday evenings. During the winter, the Library closed on Wednesday and Friday evenings in order to maintain its Saturday hours for the duration of the school year.

The public appeared to be understanding, cooperative, uncomplaining, and generally supportive. Many perceived that we could not be expected to be operating "as usual." The appearance of "normalcy" was due to the efforts of the staff. The entire staff must be given high commendation for their flexibility and cooperation in assuming new tasks in order to keep basic routines functioning. Despite pressure and uncertainty, their attitude and performance were a positive and rewarding result of a year dominated by the vaguaries and dictates of "Proposition 2 1/2". It was the dedication and commitment that maintained the helpful and personal quality that are the hallmarks of the Memorial Library's service to its patrons.

The total impact of "Proposition 2 1/2" cannot yet be measured. 1981 was in large measure retrogressive. It can be said, however, without equivocation that the staff responded beyond measure. The accomplishments of 1981 belong to them. The Town of Wilmington can be assured that the challenges of the future will be met by these dedicated people.

LIBRARY STATISTICS FOR 1981

Board of Registrars

In accordance with Chapter 3, section 1, of the Town By-Laws, meetings of the Board were held on the second Monday of each month for the registration of voters and to conduct business. In conformity with Chapter 39, section 23B of the Massachusetts General Laws as amended by Chapter 372 of the Acts of 1978, these meetings were open to the public and so posted in the Town Hall.

The Board held registration sessions for the following activities.

Annual Town Election	held	April 18, 1981
Annual Town Meeting	held	April 25, 1981
Special Town Meeting	held	May 18, 1981
Adj. Annual Town Meeting	held	June 13, 1981
Special Town Meeting	held	September 14, 1981

All held in accordance with Chapter 53 of the Massachusetts General Laws.

The Town Clerk attended meeting and conferences in order to keep abreast with the changing election laws.

The 1981 calendar year ended with a total of 9,394 registered voters.

1980 Federal Census.	17,495
1981 Town Census	18,000 (estimated)
Democrats.	3,973
Republicans.	899
Unenrolled	4,522
Total Registered Voters	9,394

Constable

During the year the following notices and warrants were posted:

Event	Posted	Date
Annual Town Meeting	Each precinct	March 27, 1981
Special Town Meeting	Each precinct	April 30, 1981
Adjourned Annual Town Meeting	Each precinct	June 3, 1981
Special Town Meeting	Each precinct	August 26, 1981

Notices were served and posted as required for other departments and offices of the Town.

Digital Plant Opening

L to R: Robert J. Peters, acting town manager; Robert Tambone, vice-president of the Tambone Corp; Gov. Edward King; Tom MacDonald manager of the Wilmington plant; State Rep. James Miceli; John DeRoy, chairman, planning board; A. J. Imbimbo, chairman, board of selectmen.

Highway Department

All the regular highway maintenance work was carried on during the year such as patching streets, replacing and painting guardrails, cleaning catch basins, making and installing street and warning signs, scraping bac roads with the grader, replacing broken curbing, picking up trash along roadsides, sweeping streets, etc.

Drainage
Drainage systems were installed, repaired or extended on the following streets: Washington Avenue, Butters Row, Hanover Street, Belmont Avenue, Woburn Street, Dell Drive, North Street Adams Street, Lowell Street, Fairmeadow Road, Federal Street, Arlene Avenue, Grove Avenue, Salem Street, Allen Park Drive, Wicks Circle and Middlesex Avenue.

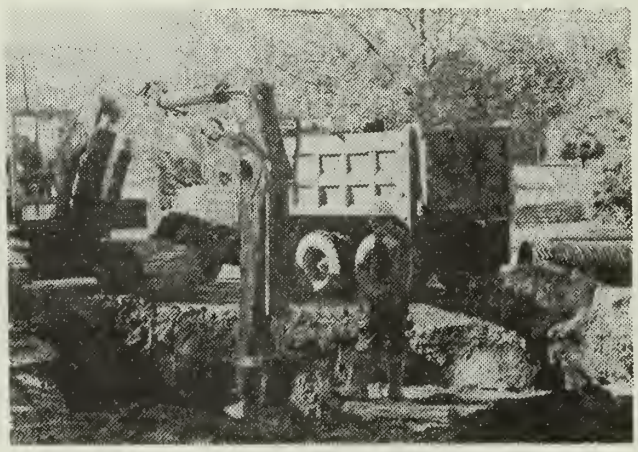
Chapter 81 Maintenance
The following streets were resurfaced all or in part with a stone seal treatment: Andover Street, Woburn Street, Butters Row, Chestnut Street, Hillside Way, Roberts Road, Cross Street and High Street, a total of 7 1/2 miles.

Snow and ice removal still remains a major and very expensive problem. The month of December, 1981 was one of our most expensive months on record due to a record snowfall for the month. The Highway Department recor 32 1/4" for the month.

Roadside Rubbish Pickup and Stream Maintenance
Due to the elimination of the C.E.T.A. personnel and my summer help, these two programs did not receive the attention they should have.

Equipment
I have checked the equipment and sincerely conclude that we should replace the following equipment: An Elgin Pelican sweeper, three dump trucks, one pickup truck and one sander body.

In concluding my report I would like to take this opportunity to thank the Police Department for keeping us informed during the winter months of the road conditions between the hours of 3:00 p.m. and 6:30 a.m., week- days, Saturday, Sunday and Holidays; the Tree, Water and Cemetery Departments for their cooperation and help during snow storms, and various departments for the cooperation extended this department during 1981. Also, to the Town Manager and the Board of Selectmen for their support throughout the year. Last, but not least, t the personnel of the Highway Department who made 1981 a very productive year, my sincere thanks and apprecia



Sewer construction continues

Police Department

In accordance with the By-Laws of the Town of Wilmington, I hereby respectfully submit the Annual Report on the activities of the Wilmington Police Department for the year of 1981.

The enclosed statistical report represents the total for all crimes, complaints, and incidents reported during 1981; and, for the most part the corresponding enforcement efforts of the Police Department. During 1981 overall incidents and complaints decreased by 2,726; from 13,712 during 1980 to 10,986 during 1981. Correspondingly, criminal arrests are down by 196 from 832 in 1980 to 636 in 1981. The reductions in overall complaints, are for the most part, due to reduced complaints in five (5) categories of relatively minor offenses. Juvenile complaints are down by 1,477 from 3,129 in 1980 to 1,652 for 1981. Miscellaneous complaints are down by 714 from 4,458 in 1980 to 3,744 for 1981. Vandalism complaints are reduced by 324 from 964 during 1980 to 640 in 1981. Disturbance complaints are down by 122 from 2,395 in 1980 to 2,273 during 1981; and, Larceny complaints are reduced by 124 from 783 in 1980 to 659 in 1981.

Without question a number of these reductions in complaints are directly attributable to the enforcement efforts of the Police Department. The reduction in Disturbance complaints has certainly been effected by the 170% increase in Disorderly Conduct Arrests during 1981. In 1980, 64 persons were arrested for Disorderly Conduct, during 1981, arrests in this area were increased to 173.

Increases in arrests for Narcotics violations have also had a significant impact on several of these reductions. Arrests for Narcotic violations have been increased by 79% during 1981, from 43 in 1980 to 77 in 1981. A large portion of this increase has been for violations involving the sale or distribution of narcotics. Although the overall crime rate has been reduced, there has been significant increases in two serious problems confronting the community. Breaking and Entering by force has increased by 16.7% from 227 in 1980 to 265 during 1981. Motor Vehicle accidents have increased by 10% from 969 in 1980 to 1,067 during 1981.

The Police Department, as with other municipal services, has been severly affected by the implementation of Proposition 2½. In order to comply with budget reductions, major changes in the department's organizational staffing have been necessary. For the department to maintain adequate staffing of the patrol force, it was necessary to reassign the detectives, the Safety Officer, the Crime Prevention Officer, the Sergeant Prosecutor and, the Administrative Lieutenant. As some additional funds were made available, the department's Safety Officer and the Sergeant in charge of investigations were reassigned to their former duties. Unfortunately, the department has not been able to restore the remaining five (5) specialist positions; therefore, programs such as "Operation Crime Watch" have been severely affected. It is the hope of the department, that through the continued support of the citizens; these positions will be restored in accordance with the needs of the community.

The Department makes note of some of the personnel changes during 1981. The retirement of John Harvey in August. The appointment of James McNally and Stephen Parsons during September. The retirement of Anthony Pangone in December.

In closing this report I want to thank the Town Manager, the Board of Selectmen, all other boards and committees, all department heads and their workers for their support and cooperation during 1981.

A special note of thanks to the staff and members of the Wilmington Police Department, for without their support and continuing efforts none of our accomplishments could have been realized.

Town Engineer

I hereby submit the Annual Report for the Engineering Department for the year 1981.

Evaluation of Workload

An examination of the workload for the Engineering Department reveals that we spent our time this year as follows: 20% Highway Department, Construction Projects; 25% Water and Sewer Board, Construction Projects; 15% Planning Board, Subdivisions; 25% Town-wide and Future Projects; 10% Town Manager and Selectmen; 10% All Others.

In-house Procedures

The updating of Assessors' maps continues to be a problem which requires a large part of our time. Current updated Assessors' maps are a valuable tool for the town's citizens and other town departments, boards and commissions.

Projects for the Year

Phillips Avenue which was not constructed within the layout was corrected through two Town Meeting actions of discontinuance and acceptance with the cooperation of the abutters. Subdivision streets inspected during the year to assure compliance with Town standards for future acceptance were Andrew Street, Houghton Road, Jewel Drive, Jonspin Road, and Upton Drive.

Conclusion

The department continues to adjust time and resource priorities to better serve Town-wide interests.

Cemetery Department

The Cemetery Department had a total of 133 burials for the year 1981. Regular maintenance work was carried out during the year. The employees worked throughout the year clearing and filling for expansion of usable ground. A low area of Section J, about 400 square feet, was raised with loam and then seeded.

The Little League field was kept mowed all year. It was also lined and set up for playoff and tournament games.

The Whitney Barrel Company painted approximately sixty rubbish barrels red, white and blue for the Fourth of July celebration. Mr. Whitney donated this service to the Town. With the help of Jack Cushing and his family the Common was cleaned for the Fourth of July celebration. The shrubs were trimmed and weeded and the grass was mowed.

The four beach areas were cleared of grass and rubbish and maintained during the year. Rubbish from the Town Park, Common, Little League Park and beach areas were removed on a regular basis.

Due to Proposition 2 1/2, the Cemetery Department was short of help. The Highway Department was called on for assistance. The Water Department helped repair a broken pipe at the office building. The plumber from the Maintenance Department installed new tubing in the building.

Burials in 1981

Fire Department

It is my pleasure to submit the following Annual Report of operations, activities, and to reflect the accomplishments of the Wilmington Fire Department during the year 1981.

The manual force consists of Chief, Deputy Chief, four Lieutenants and twenty-eight Privates. There is a call force of fifteen members. The department responded to a total of one thousand seven hundred and seventy-six calls (1776) during 1981.

Residential Buildings	31	Out of Town Assistance	38
Commercial Buildings	5	False Alarms or Needless Calls	139
Vehicles	96	Rescue and Ambulance	680
Brush, Grass and Rubbish	553	Service Calls	234

Estimated value of property endangered was	8,305,705
Estimated property loss was	287,944
Permits issued for storage of oil	83
Permits for blasting	23
Permits for home fire alarms	25
Permits issued for model rockets	8
Permits issued for storage of black powder	24
Permits for cannon fire	6
Permits issued for propane gas	53
Permits issued for flammable liquids	22
Permits issued for fireworks	1

As required by law, inspections of all schools, public buildings, and all flammable storage were made.

The Fire Prevention Bureau, under the direction of Deputy Chief William Nee, made all necessary inspections of all business establishments in Town. Local industries were assisted in the organization and training of fire brigades. Fire Prevention lectures were given to the school children. In-Service Inspections were conducted by Companies to Target Hazards.

The Fire Alarm Division, under the direction of Private Blaisdell, made all necessary repairs to the fire alarm system and made one hundred and seven changeovers for the light, telephone and cable T.V. companies. Put up one half mile of new R.C. wire on Lowell Street and five new boxes were put into service.

Box 3296	Analog Devices	804 Woburn Street
Box 5478	D. R. C.	350 Forham Road
Box 3173	Thermo-Electron Co.	Eames Street
Box 3244	Avco	126 Lowell Street
Box 6353	Digital	230 Ballardvale Street

Twenty-eight (28) members were recertified in C.P.R. as mandated by the State.

I urge all homeowners and occupants in the Town of Wilmington to protect themselves and their families by installing approved early-warning fire detectors and alarms in their homes.

I would like to express my heartfelt thanks to each and every member of the Regular and Call Department for their splendid cooperation during this past year.

During 1981, the department lost the valuable services of George Anderson Jr. through retirement and Howard Moorman who passed away after twenty-five years of service on the Call Department. We, the members of this department and I'm sure many of the citizens who benefited by their devotion and service to duty, will miss these two gentlemen.

Special thanks and appreciation are hereby extended to the Town Manager, Board of Selectmen, Department Heads and their crews for their every effort and cooperation during the year 1981.

Water and Sewer Department

Annual Rainfall	46.31"	31.33"	45.47"	37.72"	42.82"
CONSUMPTION STATISTICS - GALLONS					
Residential Use*	398,858,053	321,073,950	335,287,725	346,379,925	352,998,750
Percent of Total	51.4%	41.0%	40.0%	41.5%	43.0%
Industrial Use	376,981,836	460,883,880	492,740,925	487,441,200	466,973,085
Percent of Total	48.6%	58.9%	59.0%	58.4%	56.9%
Total Water Metered	775,839,889	781,957,830	828,028,650	833,821,125	819,971,835
Percent of Water Pumped**	74.9%	72.8%	77.0%	80.3%	77.4%

*Residential use includes small commercial users, that is, all water passing through 5/8" meters only.

**The difference between the water pumped and the water metered, 239,249,465 gallons in 1981, represents water used for flushing of water mains, for fires and other hydrant uses, and water lost due to breaks and leakage throughout the system.

During 1981 total pumpage increased slightly over the previous year. This was the first year we were able to use the new treatment plant. Over 147 million gallons of water was treated and put into the system. The treatment plant was put into service on June 16, 1981. On October 3rd there was a dedication of this unique facility and an open house for the public. The EPA has awarded the town a research grant to study the efficiency of TCE removal. This is the only municipal plant in this part of the country designed to remove TCE.

WATER DISTRIBUTION SYSTEM

The following new water mains were constructed during 1981:

Street	No. of Feet	Size	Hydrants
Main Street	792'	10"	2
Lee Street (Incomplete)	500'	6"	1
Ballardvale Street	3000'	12"	7

We have submitted several applications for water system rehabilitation grants under the Commonwealth of Massachusetts Chapter 805 Program. If we receive these grants, which are for 50% of the construction cost, we will be able to make much needed improvements in our water distribution system. In addition, we filed for a grant under the same program for a leak detection survey. This survey would be used to detect leaks in the water mains and thereby reduce our "unaccounted-for" water.

WATER QUALITY

In spite of the new treatment plant, some areas of town still occasionally experience "rusty water." This is due to an increase in iron content in several wells not treatable by the new plant, water main breaks during the sewer construction and stagnant water in dead-end mains. By working on the wells and improving our distribution system, we hope to reduce the number of "rusty water" complaints.

SEWER SYSTEM

The contract for the final leg of the sewer was awarded. During the year, construction was underway on four separate contracts. In addition, the contract for remediations to Contract #2 was awarded in September. This contract will correct the deficiencies in the original contract. At the present time the litigation between the Town and the original contract has not been resolved.

Public Buildings Department

The big event of 1981 is the closing of the Boutwell Street, Glen Road, Buzzell Schools and the Curriculum Center. The entire summer and well into the fall was spent moving supplies and equipment from these buildings to other schools. At times it seemed that the movement of materials and supplies would never be finished. By the end of the year, however, it was 99% completed.

The Swain School was also a highlight of the year. First it was to be closed and then the decision was made to use it as an elementary school.

The building had to be cleaned and furnished within three weeks. Work on relocating smoke doors and painting continued after school started.

The Glen Road, Boutwell Street, Mildred Rogers Schools and the Curriculum Center were boarded up, pipes were drained and heating systems shut down.

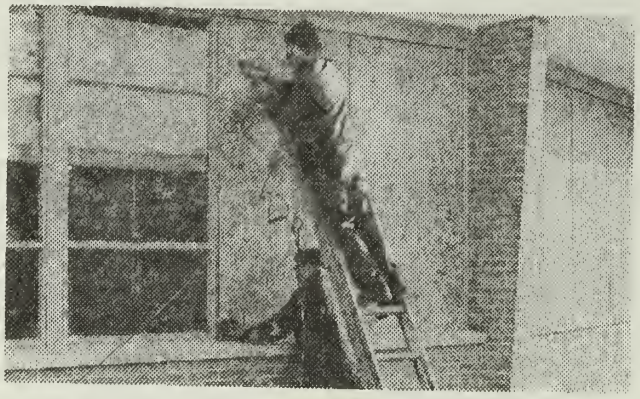
The department deeply regrets the death of two employees, Kenneth Feyler in June and James Fairweather in October. Mr. Feyler was custodian at the Buzzell School and Mr. Fairweather was the department plumber.

Noah Denault, Wilfred Baldwin and Frank Yentile retired from the department. Mr. Denault was Assistant Superintendent for Custodians, Mr. Baldwin was Head Custodian at the North Intermediate School and Mr. Yentile was Head Custodian at the Wildwood Street School.

The above were highlights of the year. In addition the hundreds of tasks required to keep the system going were accomplished. From programming voting machines to setting up for town meetings, repairing leaks, repairing door hardware and electrical fixtures and replacing glass.

Sandwiched between moving supplies and equipment the grounds crew prepared athletic fields for games and kept the grass cut and so far as possible cleaned parking areas.

I extend my thanks to the personnel of the Public Buildings and Grounds Department for the outstanding manner in which they carried out their duties during the year. Also, my thanks to those departments that assisted us during the year.



Boarding up Glen Road School

Planning Board

The days of simple governing have long since gone. The Wilmington Planning Board nevertheless, continues to carry on. Planning for Wilmington and its future require decisions; controversial or not, they are the beginning of change. This is one of the Planning Board's primary concerns.

The Planning Board meets each Tuesday evening in the Town Hall Annex. The Planning Board office is open four days per week and is supervised by our Planning Coordinator.

In accordance with Massachusetts General Laws Chapter 41 and the Rules and Regulations governing the Subdivision of land in the Town of Wilmington, the Planning Board continued to review the following plans:

Preliminary Subdivision Plan of Palmer's Place - a proposed 14-lot subdivision located off Middlesex Avenue. The Board approved this preliminary plan with several conditions. To date, no definitive plan has been submitted.

Modified and new definitive Subdivision Plan of Jewel Industrial Park, an extension to the original subdivision to be developed by Marteg Corporation for the Wilmington Redevelopment Authority. The Board secured in 1981 a bond in the amount of $90,000 for this portion of the subdivision.

During 1981, thirty-three (33) plans believed not to require approval were submitted. The Planning Board found that twenty-nine (29) plans did not require approval and therefore were endorsed. Two (2) plans were disapproved with reasons that the Subdivision Control Law would apply; one (1) plan was withdrawn without prejudice and one (1) plan the Board chose to take no action on.

PARKING SITE PLAN REVIEW

In accordance with Section IV-3 E&F of the Zoning By-Law, the Planning Board made respective recommendations to the Town Engineer on ten (10) Parking Site Plans.

The Planning Board enjoyed working closely with the Board of Appeals on many appeal cases. This continued relation of assistance will always be forthcoming as in the Avco decision and others of equal importance.

There were public hearings held on four (4) Zoning Changes as required by Massachusetts General Laws Chapter 40A prior to Town Meeting. These proposed amendments to the Zoning By-Law and Map went to Town Meeting to be acted upon.

The Planing Board held a Public Meeting early in the year with all Town Officials and interested citizens to present the Study Report of "Overview of Growth, Development and Change."

It was well received as a planning tool. It was said "a great assist in land usage problems." A Map for future planning programs.

The Planning Board enjoyed its head-on meeting with our new Town Manager Buzz S. Stapczynski. It was a great way to start working relations. We thoroughly enjoyed it, as we shall enjoy working under him on issues of planning for our Town.

The Planning Board is in process of a town-owned land study. This study will take a substantial period of time to thoroughly complete.

The Planning Board wishes to express their sincerest thank-you to the Town Engineer, Planning Coordinator, and all others who have assisted in making our work more productive for the best interest of our Town and its Townspeople.

Tree Department

Routine work was carried on by the Department. Sixty-three (63) roadside trees were taken down due to the [illegible]dous conditions they created due to a disease called die-back and decline. There is no known cure for this disease. A great deal of time was spent in trimming out dead limbs in trying to prolong the life of the trees. Numerous storm and wind damage occurred again this year causing many problems. A number of roadside stumps were removed. We assisted the other town departments when requested. The christmas tree on the Common and at Deming Way were decorated with lights. Tree Department equipment was used to plow snow for the Highway Department. Seventy (70) hornet nests were removed by request.

Dutch Elm Disease:

Dutch elm samples were taken of the trees and sent to the University of Massachusetts to determine which ones were diseased. As a result of this, fifty-seven (57) elm trees were removed. Trimming was done on others to try to prolong the life of the trees.

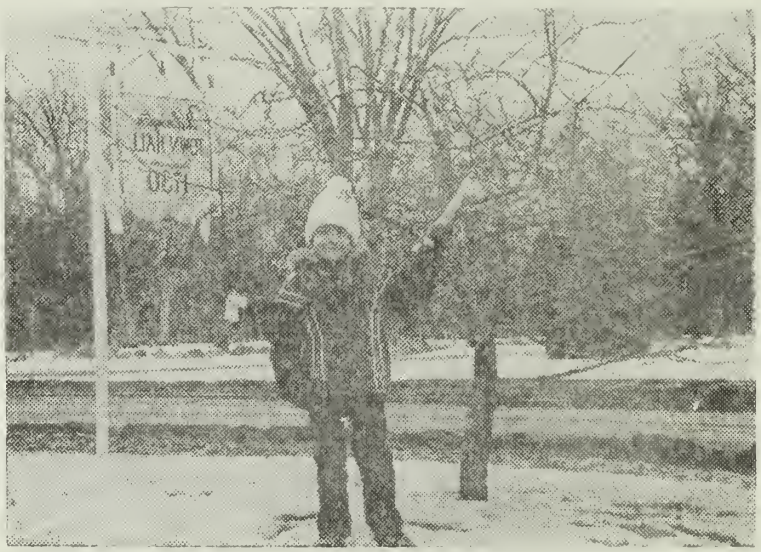
Insect Pest Control:

This year was found to be a very expensive year due to the great infestation of gypsy moth. As much spraying as possible was done to help to control the problem. It is predicted that in 1982 the problem will become far more serious. Spraying was done to control clinch bugs, elm leaf beetles, pine saw flies, fall web worms, Eastern tent caterpillars, Japanese beetles and ticks.

Mosquito Control:

Between the hours of 8:00 p.m. and 12:00 midnight, mosquito spraying is carried on. Larvaecide was used in trapped water to destroy them before turning into the adult stage.

I would like to thank the Town Manager, and the Board of Selectmen for their support, the town departments for their coopration, and the men of the Tree Department for their efforts during the year 1981.



Yellow ribbons welcome hostages home

Town Counsel

In accordance with the requirements of the Town By-Law, I submit herewith my report as Town Counsel covering the year 1981.

(a) On January 1, 1981, there were pending the following actions by or against the Town (exclusive of actions in which the Town was merely summoned as trustee, and in which it had no interest, and of tax lien foreclosure proceedings in the Land Court and petitions for abatement before the Appellate Tax Board*).

Beatrice G. Swenson v. Town of Wilmington, et al, Middlesex Superior Court (petition for assessment of damages for land taking.)

Harvey Lobdell v. Board of Appeals, Middlesex Superior Court (petition in equity for appeal for variance by zoning by-laws.)

Androniki Gaglione v. Thomas B. Brennan, et al, Middlesex Superior Court (petition for assessment of damages.)

Joseph Scaro, et al v. County of Middlesex, et al, Middlesex Superior Court (petition for assessment of damages for land taking.)

John E. Hayward, et al v. County of Middlesex, et als, Middlesex Superior Court (petition for assessment of damages for land taking.)

John E. Hayward, et al v. County of Middlesex, et als, Middlesex Superior Court (petition for assessment of damages for land taking.)

Robert Stevens, Tr. v. Town of Wilmington and Planning Board, Land Court (petition for registration and claim to Swain Court-private way.)

Town of Wilmington v. Oxford Associates, Inc., Middlesex Superior Court (claim to recover motor vehicle excise taxes.)

Sanborn Brothers, Inc. v. Town of Wilmington, District Court of Lowell (action for property damage - negligence.)

George Anderson, et al v. Town of Wilmington, et al, Fourth District Court of Eastern Middlesex (claim for personal injury.)

School Teacher v. Wilmington School Committee, Equal Employment Opportunity Commission (complaint of discrimination as to benefits.)

John J. Lyons, et al v. Town of Wilmington, Land Court (complaint to determine validity and extent of the zoning by-laws of the Town of Wilmington.)

Stepan Chemical Co. v. Town of Wilmington, et als, Middlesex Superior Court (petition for abatement of sewer use charge.)

Joseph J. Salpietro, et al v. Robert E. Shelley, et al, Middlesex Superior Court (claim for personal injury and property damage.)

Frances Dec v. Town of Wilmington, et al, Massachusetts Commission Against Discrimination (complaint alleging sex discrimination.)

Dorothy A. Cosman v. Town of Wilmington, Middlesex Superior Court (claim for personal injury.)

Fosters Pond Improvement Association, Inc., et als v. Aldo Caira, et als, Middlesex Superior Court (action in the nature of certiorari for decision of Board of Selectmen granting earth removal permit.)

Ruth J. Gronemeyer, Exec. v. George R. Allen, et al, Middlesex Superior Court (complaint for assessment of damages.)

James Rooney v. Sterling C. Morris, et als, Municipal Court of the City of Boston (appeal from decision of Civil Service Commission sustaining appointing authority.)

Traffic Supervisors (AFSCME, Council 93) and Town of Wilmington, Labor Relations Commission (mediation and fact finding.)

Lucille Costa, et al v. Town of Wilmington, et als, Middlesex Superior Court (action for personal injury resulting from a motor vehicle accident.)

George Donovan, et al v. Bruce MacDonald, et als., Middlesex Superior Court (appeal from the decision of the Board of Appeals denying variance to construct a single family dwelling.)

George R. Vinal, Inc. v. Town of Wilmington, et al, Middlesex Superior Court (action of quantum meruit to recover fair and reasonable value of services provided to Jewell Mfg. Company, Inc. for subdivision road and utilities and/or to reach and apply monies held by the Town of Wilmington.)

Pacella Bros., Inc. v. Town of Wilmington Water and Sewer Commissioners, American Arbitration Association (demand for arbitration on sewer construction project.)

Town of Wilmington v. AFSCME, Council 93, Middlesex Superior Court (complaint for declaratory judgment to determine rights.)

I.A.F.F. Local 1370 v. Town of Wilmington, American Arbitration Association (claim for grievance.)

Jean M. Benianati v. Wilmington Public Schools, Massachusetts Commission Against Discrimination (claim for age discrimination.)

Robert E. Vassallo v. Sterling C. Morris, et als, Middlesex Superior Court (complaint for injunction prohibiting appointment of sargeant.)

Richard D. Jenkins v. James Rooney, et als, Middlesex Superior Court (claim for false arrest and conversion.)

Jeanette F. Iverson, et al v. Town of Wilmington, et al, Middlesex Superior Court (claim for personal injury and consequential damage.)

Paul J. Lynch v. Board of Selectmen of Town of Wilmington, et als, Middlesex Superior Court (complaint for declaratory judgment.)

Warren Atkinson v. Wilmington School Committee, et al, Middlesex Superior Court (appeal under Chapter 71, section 43A.)

Town of Wilmington v. Roberty Corey, aka, et al, Middlesex Superior Court (complaint alleging violation of Town Zoning By-Law and Inland Wetland Act.)

Town of Wilmington v. Stepan Chemical Company, Fourth District Court of Eastern Middlesex (removed to Middlesex Superior Court) (claim for damages and sewer and water arrearages.)

*There are pending as of January 1, 1982, 41 separate petitions for abatements before the Appellate Tax Board, many involving claims for several different years.

(b) (1) During the year 1981, the following new actions were brought against the Town of Wilmington or its officers or agents:

Theresa J. Moakley, et al v. Town of Wilmington, Middlesex Superior Court (claim for personal injury and consequential damages, etc.)

I.A.F.F. Local 1370 v. Town of Wilmington, Labor Relations Commission (claim for grievance.)

Berkshire Builders, Inc. v. Town of Wilmington, et als, United States District Court for the District of Massachusetts (action for declaratory, injunctive relief and for money damages for civil rights violations.)

David M. McCue v. Town of Wilmington, Fourth District Court of Eastern Middlesex (action of tort resulting from alleged street defect.)

Robert E. Vassallo v. Sterling C. Morris, et als, Suffolk Superior Court (action for review of decision of appointing authority and personnel administrator concerning appointment of sargeant.)

Dianna Holmes, et al v. Town of Wilmington, Massachusetts Commission Against Discrimination (complaint of discrimination in violation of Chapter 151B.)

Local 1370 L.A.F.F. v. Town of Wilmington, Labor Relations Commission (charge of prohibited practice.)

Raffaela Zaccagnini v. Town of Wilmington, Equal Employment Opportunity Commission (claim for discrimination.)

Elliott A. Drew v. Town of Wilmington, American Arbitration Association (claim for violation of Collective Bargaining Agreement and reinstatement.)

George A. Anderson, Jr. v. Middlesex County Retirement System (petition for involuntary disability retirement.)

Pacella Bros., Inc. v. Town of Wilmington, Middlesex Superior Court (claim to restrain payment of retention funds re: Contract #2.)

Elliott A. Drew v. Town of Wilmington, Labor Relations Commission (claim for violation of Collective Bargaining Agreement and reinstatement.)

(b) (2) During the year 1981, the following new actions were brought by or on behalf of the Town.

Town of Wilmington v. Georgia F. Jones, Fourth District Court of Eastern Middlesex (claim for refund of sabbatical pay.)

A. John Imbimbo, et als v. Bruce MacDonald, et als, Middlesex Superior Court (appeal from the decision of the Board of Appeals.)

(c) During the year 1981, the following actions by or against the Town were disposed of:

I.A.F.F. Local 1370 v. Town of Wilmington, American Arbitration Association (disposed of by grievance being sustained after hearing by arbitrator with direction to refrain in the future.)

Robert E. Vassallo v. Sterling C. Morris, et als, Middlesex Superior Court (dismissed by order of court.)

I.A.F.F. Local 1370 v. Town of Wilmington, Labor Relations Commission (disposed of by dismissal by the Labor Relations Commission of claim of grievance after investigatory hearing.)

Theresa J. Moakley, et al v. Town of Wilmington, Middlesex Superior Court (settled by Town's insurer prior to trial.)

David M. McCue v. Town of Wilmington, Fourth District Court of Eastern Middlesex (disposed of by settlement by third party insurer.)

Raffaela Zaccagnini v. Town of Wilmington, Equal Employment Opportunity (disposed of by finding of no probable cause and case dismissed.)

George A. Anderson, Jr. v. Middlesex County Retirement System (disposed of by disability retirement allowed.)

Local 1370 I.A.F.F. v. Town of Wilmington, Labor Relations (complaint withdrawn.)

Town of Wilmington v. Georgia F. Jones, Fourth District Court of Eastern Middlesex (disposed of by reimbursement to the Town of Wilmington in the amount of $15,099.75, together with court costs.)

Traffic Supervisors (AFSCME, Council 93) and Town of Wilmington, Labor Relations Commission (disposed of by settlement and payment of $6,000 to the bargaining unit to be apportioned amongst all the members in accordance with appendix A attached to decision.)

Joseph J. Salpietro, et al v. Robert E. Shelley, et al, Middlesex Superior Court (disposed of by payment by the Town of Wilmington of $3,000 and contribution from insurer.)

Conservation Commission

The need for conserving and protecting our water resources is demanding increased attention as drought conditions continue to plague New England. The Conservation Commission is required to protect wetland values, which are closely related to water quality and quantity. Development, which could decrease the wetlands or impair their functioning, and improper management and disposal of hazardous substances, which could reach our water supply, are two activities of great interest to the Commission.

The duties of the Conservation Commission have increased considerably during the past year as a result of numerous environmental changes and the ever-dwindling amount of buildable land. In accordance with its legislated purposes, the Conservation Commission has held twenty-eight (28) Wetland Protection Act hearings, to control activity in and adjacent to wetlands, in order to preserve the wetland values. Most of these hearings involved the industrial and commercial building which is apparent in Wilmington. These projects are often of greater scope and may create a greater impact on the environment than single residential construction therefore, requiring much of the Commission's time to deal with their magnitude. Commission members made over 424 on-site inspections during the year to determine the applicability of the Wetland Protection Act, and to check on the status of various projects already under an Order of Conditions.

In addition to the Commission's regularly scheduled meetings and on-site inspections, numerous meetings were held with state and federal officials, and with surrounding communities to keep the Commission apprised of ever-changing environmental concerns. In co-operation with our new Town Manager, the Conservation Commission has been attending all meetings of the Board of Selectmen, Board of Appeals, Planning Board, and other boards when issues concerning conservation are involved.

Another function of the Conservation Commission is to administer certain town-owned lands for conservation and open space purposes. Such land is usually unbuildable wetland, important for its wetland and open space values, and for protecting and preserving watershed areas. In previous years the town has purchased some such land, utilizing state and federal self-help funds. Residents may also donate land to the town, specifying its use for conservation and thus be assured that the land will remain in its natural state, thereby receiving certain tax benefits as a result of their gift.

The Commission wishes to acknowledge the addition of our newest member, Anne Munro.

We thank all concerned individuals who generously assisted the Commission to carry out its duties in the past year. The upcoming year promises to add even more responsibility to the Conservation Commission as problems with improper handling and illegal disposal of hazardous substances continue to become more evident and threatening to our water supply. We, therefore, welcome and encourage continued support and interest of all citizens.

Housing Authority

During the year 1981, under the joint chairmanship of Barbara H. Larson and George W. Hooper, the Wilmington Housing Authority proceeded with their commitment to fulfill the housing needs for the Town of Wilmington. This housing commitment was made after various Members of the Board analyzed the housing stock and needs of Wilmington and compared this housing stock with neighboring communities such as North Reading, North Andover, Tewksbury, Reading, Chelmsford, Andover and Billerica; and learned that these communities, with the support of their town, sought and received housing years after Wilmington. Following is a comparison of housing units by town.

Town	Year of Initial Units	Number of Units			
		Elderly	Family	Section 8	New
Wilmington	1957	40	4	8	0
North Reading	1965	40	5	15	0
North Andover	1956* 1961	179	24*	36	60
Tewksbury	1965	140	17	15	50
Reading	1965	80	0	55	0
Chelmsford	1974	72	8	40	66
Andover	1957* 1959	176	56* 20	43	40
Billerica	1968	144	2	55	38

*Denotes Veterans Housing

In following through with their housing commitment, many meetings were held with State, Federal and local officials as well as citizen groups to focus in on Wilmington's housing needs for elderly, handicapped and family so that a suitable and acceptable course could be adopted that would be embraced by all groups. As a result of these meetings, HUD saw fit to propose a revision to the Projects 061-001 and 061-003 - that being a reduction from the original proposal of 25 family units and 80 elderly units to 10 family units and 50 elderly units.

In order to assure that the residents of Wilmington would have preference to these proposed units, the Board Members - George W. Hooper, Kevin J. McMillan, Lorraine C. Brozyna, Melvin F. Keough, and Warren G. Newhouse - acting under the leadership of George W. Hooper, and with research and input by member, Lorraine C. Brozyna, adopted a Resolution establishing a criteria for residential preference. This criteria was submitted to HUD and accepted, thus allowing Wilmington residents to obtain preferential residency in tenant selection.

To modernize and update the facilities at Deming Way, the Housing Authority was able to replace old, deteriorated, inefficient windows with new thermopane, energy-efficient, easy operational, secure windows throughout the development. Keeping in line with the Board's goals to obtain the optimum of energy conservation and utility efficiency, the original boilers that were primarily designed for coal and oil firing, were replaced by high-efficiency oil/gas combination units.

Social activities were expanded to include a summer concert by Member Warren Newhouse, and Handicapped and "Shut-In" activities by Member Lorraine Brozyna as well as the traditional Thanksgiving and Christmas activities by Members Melvin Keough, George Hooper and Kevin McMillan.

Through the cooperation of the Council on Aging and coordinated by Member Lorraine Brozyna, the Housing Authority was able to outreach into the community to find people in dire need of housing who were living in

sub-standard housing without proper bathing or heating facilities.

The Wilmington Housing Authority Board applied for 50 elderly and 10 family units under Round II for State funding, approval of which was not looked upon favorably due to the fact the funds were consumed by larger communities throughout the State.

The Board of Selectmen were cooperative in joining the Housing Authority in attemping to find suitable scattered sites for family housing by submitting a number of Town-owned properties that were to be considered as possible building locations.

The Members of the Wilmington Housing Authority sincerely express their thanks to the various Town Boards and the Town Manager for the time and effort that they contributed and the spirit of cooperation that they expressed in seeking the first opportunity for housing made available to Wilmington since the construction of the 40 units at Deming Way in 1957.

The Members also bestowed a special honor to Member Barbara H. Larson who retired from the Board after having unselfishly served for ten years.

ORGANIZATION

The Wilmington Housing Authority is authorized by Section 3 of Chapter 121B of the General Laws, as amended.

STATUTORY REFERENCE

1. Housing Authority Law: Section 261 of the General Laws, as amended.
2. Act of providing Housing for Elderly Persons of Low Income: Chapter 667 of the Acts of 1954, as amended.

Board of Health

During 1981 Thomas Morris resigned from the Board of Health. Mr. Domenic Tutela was appointed by the Town Manager to replace Mr. Morris.

... Dr. Antonia Bayog, Public Health Physician, passed away. No replacement has been made.

... Stanely Roketenetz completed two years of a three-year contract for the collection of refuse.

... Anne Butters, Public Health Nurse, retired after 32 years of service to the Town.

... Share was dropped from the budget as a result of Proposition 2 1/2.

... A Hazardous Waste Committee was appointed by the Town Manager.

... A town-wide Flue and Pneumonia Clinic was conducted.

... Mr. Leo LeBlanc acted as Director during vacation periods.

... The Board of Health met routinely on a monthly basis for the conduct of its business.

... The Board participated in Health for '81' and co-sponsored a Hypertension Screening Clinic.

... The Board, in cooperation with the School Department, assisted at a Mantoux and Tetanus/Diphtheria Clinic.

... The Board conducted a Flu Clinic for DataMetrics, a local industry.

... The Board assisted Sweetheart Plastics with a Flu Clinic.

... The Board arranged with the Regional Health Center to provide free poison level testing.

... Blood Pressure Clinics were held at several drug stores and the library.

... Funds for Wilmington Family Counseling were reduced from $17,000 to $13,500.

... The Board worked with the Town By-Law Committee in their study of existing by-laws.

... The Board of Health participated in the lead paint testing at the Swain School.

The Board of Health wishes to express a special thanks to Anne Butters for her long and dedicated years of service to the Town as a Public Health Nurse.

Thanks also is extended to the Wilmington Women's Club for their help and assistance during the course of the year.

A. COMMUNICABLE DISEASE

1. Immunizations

Office visits	94
Home visits	24
Tetanus/Diptheria Clinic (high school seniors)	41

Immunizations are being given on an ongoing basis at the Nurses' Office from 8:30-9:30 a.m. and 3:30-4:30 p.m.

2. Communicable Diseases Reported 37

3.	Flu/Pneumonia Immunization Clinic	Flu vaccine doses administered	495
		Pneumonia vaccine doses administered	168
4.	Tuberculosis Report	T.B. tests to high school seniors	41
		Office visits	127
		Home visits	20

B. PUBLIC HEALTH NURSING

1.	Nursing visits during year		304
		Office visits	91
2.	Premature births reported	Reported	17
		Home visits	23
		Premature deaths	1
3.	Newborn Infants	Home visits	9
4.	Hypertension Program	Office visits	158
		Attendance at monthly clinic	62
		Location at drug stores & library	113
		Location at polls on voting days	205
		Health Fair - Woburn Mall	359
5.	Diabetic Screening	Office visits	14
		Attendance at Drop-In-Center	46
		Fees collected	$56.00
6.	Drop-In-Center	Number of counseling sessions	44
		Attendance	613
7.	Gentle Exercise Program	Number of sessions	29
		Attendance	304
8.	General Health Supervision	Home visits	387

C. ENVIRONMENTAL HEALTH

1.	Licenses and Permits	Sewerage	80
		Food	80
		Milk Store	67
		Stable	30
		Refuse Transportation	24
		Installers	30
		Piggery	0
		Miscellaneous	131
		Fees collected	$5,751.00
2.	Food Establishments	Inspections	131
3.	Complaints		315
4.	Inspection of Animals	Animals quarantined	34
		Animals released	34
		Animals disposed of	282
5.	Dental Clinic	Number of children serviced	1,341
6.	Installer's Examination	Exams given	11
7.	Sewerage	Inspections/Investigations	527
8.	Bathing Areas	cted	10

C. ENVIRONMENTAL HEALTH (continued)

9.	Recreation Camps	Inspections	2
10.	Court	Court appearances	10
11.	Rabies Clinic	Dogs immunized	336
		Fees collected	$1,008.00
12.	Wilmington Family Counseling	Scheduled appointments	1,528
		Cost at $26.00 each appointment	$40,148.00
		Client fees	$26,027.08
		Cost to town	$14,120.94

Historical Commission

Despite zero funding, the Historical Commission managed to have a somewhat productive year with the help of a few precious volunteers.

Several open houses were held at the Harnden Tavern on the first Sunday of each month. The Friends of Harnden Tavern also sponsored several events, including another highly successful Christmas Social. The Historical Commission was pleased to accept help and several new donations of furnishings from the Friends, our local support group for the Harnden Tavern.

On May 29, 1981, Project Enterprise Students, grades 4 through 6, were treated to a "Day in the Life of Early America". Activities included hearth cooking, quilting, butter churning, stenciling, candle making, working with old tools, rug hooking and making ice cream. All this took place with the volunteer help of many parents under the direction of Mrs. Melinda Murphy of the Historical Commission. A similar project was held for two fourth grade classes at the Woburn Street School.

Work on an Historical Tour Map of the town has been completed, but will lie dormant without proper funding.

Historical markers identifying 25 homes worthy of note are in place, and, hopefully, more will follow this year.

The Commission was very fortunate in securing a young couple, Mr. and Mrs. Charles Columbo, as tenants and caretakers for the Harnden Tavern. Mr. Columbo is Youth Minister at the Congregational Church and Mrs. Columbo is in her final year at the University of Massachusetts majoring in Art History.

Veterans' Services

Veterans' Services is governed by the General Laws of Massachusetts, Chapter 115 as amended with strict compliance to this Chapter, the rules and policies of which govern the disbursement of aid.

Benefits are for the needy Veteran and his immediate family who have been subject to unforeseen needs. Final approval of benefits comes from the Commissioner of Veterans' Services, Boston, Massachusetts.

The balance for the first six months of 1981 from previous appropriation was $17,627.84. A balance of $12,897.47 remaining July 30, 1981. Total available funds beginning July 1, 1981 was $9,000.00. Total expended for aid to Veterans and their families for the entire year 1981 was $9,125.48.

Total reimbursement for 1981 from settled assignments and/or accident cases authorized by the Commissioner's office was $3,529.25. Because 50% of the amount authorized by the Commissioner's office is shared by the Town, the Town's share on assignment cases was $1,764.63. The total amount of $3,529.25 has been turned over to the Town Treasurer and the Commonwealth has been notified so adjustments of any monies can be made before State reimbursement to the Town.

This department deals continuously with new and changing benefits and/or laws pertaining to Social Security, V.A. Disability, Pension, Compensations and G.I. Education or on the job training; plus, aiding applicants for S.S.I., unemployment due to strikes, shutdowns and lack of work, always has an impact on expenditures. Case load varies from time to time.

The appropriation for 1981 and six months of 1982 was $9,000.00 as voted at the Annual Town Meeting, a balance of $4,971.39 forwarded for the first six months of 1982.

Sarah D. J. Carter Lecture Fund

A travelogue was given by Jens Bjerre entitled "China After Mao" at the Herbert C. Barrows Auditorium on May 6, 1981 at 8:15 p.m.

The Carter Lecture Committee will present a program by Kelley and Tanguay, Duo-Pianists, at the Herbert C. Barrows Auditorium in Wilmington at 1:00 p.m. in the afternoon of May 11, 1982 for the students of Wilmington High School and at 8:15 p.m. on May 12, 1982 for the general public of Wilmington.

The Carter Lecture Committee mourns the passing of Ken Wilson, a Committee member since July 1969. Our sympathy is extended to his wife Eunice, his son Kenneth, Jr, and grandchildren."

The Carter Lecture Programs are presented free to Wilmington Residents.

Board of Appeals

Applicant	Reason for Appeal	Decision
Case #1-81 Maurice D. O'Neil	To acquire a variance from Section IV-1 (Schedule of Requirements) authorizing the construction of a single family dwelling on lots having less than the required permanent means of access to an accepted street and further authorizing the subdivision of a parcel of land into two lots meeting the geometric requirements of Section V-1 (Schedule of Requirements) and one having less than the required depth and area.	Withdrawn
Case #2-81 Olin Corporation Mr. Barry L. Solar, Attorney, Representing	To acquire a variance from Section V-4 of the Wilmington Zoning By-Law to erect and maintain fence within set back and yard area for property located at 51 Eames St.	Granted

Sealer of Weights and Measures

The following is a list of all weighing and measuring devices, scales, meters, pumps, and weights that were tested, sealed, not sealed, and condemmed during the year 1981

	Sealed	Not Sealed	Adjusted	Condemmed
Scales, Balances, Weights	225	36	75	28
Liquid Measuring Meters	194	14	65	29
Capacity Measures	42	14	35	20
Other Measuring Devices	55	19	30	25
Prepackaged Foods Reweighed	6,100			

Council on Aging

As the Council on Aging reviews its accomplishments for the year 1981, it saw an increase in the demand for services. Inflation took a toll on the purchasing income of our elder citizen. The cost of heating and lighting their homes became unbearable, as did the cost of buying the bare necessities of food and clothing.

The Council on Aging was there in 1981 to assist the elderly in these areas: $83,500 in fuel assistance was obtained for our seniors through the Fuel Assistance Program; between 6,000 - 7,000 hot meals were delivered to our shut-ins and from 4,000 - 5,000 meals were served at the North Intermediate School Meal Site; through our on-going Clothes Program, donations of clothes are constantly being received at the Drop-in-Center. These clothes are available to any senior.

The Council in the year 1981, under the Chairmanship of Wilson Belbin, Vice Chairman Josephine Kelley, Secretary Lorraine Brozyna, Treasurer Sheldon Maga, Arthur Bernard, Lillian Brown, Diane Holmes, Ann Knowlton, Nickie Johnson, Margaret McNeill, Irving Storms, Co-ordinator Edith Cunningham and Senior Aide Winefred Duran, worked together to operate and maintain programs which met the needs of the Wilmington Elder Citizens, throughout the year.

The budget to finance the operation of the senior programs was derived from tax dollars voted upon at the Annual Town Meeting. Programs and services operate out of the Senior Citizens Drop-in-Center, donated by Mike Demoulas of Demoulas Supermarkets. The Center was utilized by 1,400 - 1,600 seniors a month, who sought companionship or help.

The seniors' Minibus transported 500-600 seniors a month to doctors, dentists, hospitals and other elderly related travel. This year our seniors will be transported more efficiently, due to the acquisition of a two-way radio purchased through a $2,022 Grant from Minute Man HomeCare Corp.

Many activities were available to the senior citizen in 1981. Exercise Program-held at the Knights of Columbus Hall through a donation of the Knights; Free Bowling-at the Brunswick Bowl-a-Way Lanes in Burlington, provided through a combined donation from the management of the Lanes, a $500 donation from the Ford Co. and a $250 donation from Altron Co.; Dance Lessons-instructions donated by Fred and Mary McEvoy, of Andover; a Swimming Program, through the courtesy of the Shawsheen Technical School; a Walk Program, through the leadership of Edward Curtis, a senior volunteer; Arts and Crafts sessions, under a committee of volunteer seniors; Chairman Margaret Pellegrino, Frances Calandrello, Mary Cunningham, Lillian Brown, and Treasurer Marguerite Baker; a Bi-monthly Whist Party, under the supervision of the Arts and Crafts Committee. All money made by the committee through their Whist Parties and Fairs was spent on articles for the Drop-in-Center not covered by the seniors' budget.

Every weekday from 9:00 a.m. to 4:30 p.m. at the Drop-in-Center a senior citizen can find companionship and help. Through donations from the Yum Yum Shop, Thomas English Muffins, and the budget, seniors can obtain coffee and a goodie throughout the day.

Legal Services, Counseling, Homemaking, Nursing, Chore Workers and Fuel Assistance were available to the elderly through the Co-ordinator.

The year 1981 saw an increase in our Social Programs, such as, the Vial of Life; Friendly Visitors; Dial-a-Friend; Sunshine Lady; and S.P.A.N. (Senior Postal Alert Network).

The Council on Aging was assisted in providing many of our programs and services through the generous donations of many organization, clubs, churches, stores and individuals. Through a very generous donation from

the Woburn District Court and the Wilmington Police Department, the Council on Aging was able to give a Christmas gift to many of Wilmington's very old, disabled, hospitalized and low-income seniors. A continual supply of plastic goods for the Drop-in-Center was donated by Sweetheart Plastics Company. All the sugar, and paper napkins throughout the year were supplied by Diamond Crystal Salt. McDonald's Hamburger donated monthly birthday cakes and cold drinks for the seniors' birthdays.

Dinners or party gifts were received from: Tewksbury-Wilmington Elks; American Legion Post 136; Sweetheart Plastics Company; St. Dorothy and St. Thomas Parishes; the Rotary and Kiwanis Clubs.

The Council on Aging worked with the following agencies in 1981 to obtain services for our shut-ins; MinuteMan HomeCare Corp.; Stoneham Visiting Nurse Association; Community Teamwork, Inc.; Mystic Valley Mental Health; Wilmington Board of Health and surrounding Council on Agings.

A monthly social was held by the Council on Aging to get the seniors out of their homes, joining them with other seniors in a social and enjoyable atmosphere. This therapeutic activity helped to keep many of our seniors out of doctor offices and hospitals, with the year 1981 ending on a healthy and happy note for all our senior citizens.

Redevelopment Authority

The year 1981 saw a few changes in personnel on the Redevelopment Authority. Chairman Ray McNamara retired after 14 years of dedicated service to the Board. Daniel Stewart resigned from his positon and his unexpired term was filled by former member, Sidney Kaizer. Jay Donovan was elected to a new five year term at the Annual Election.

During 1981, land in the Jewel Park was sold to Vydel of New England, Inc., at a purchase price of $68,783.82. Currently, negotiations are progressing on the two remaining parcels in the park. One parcel to Altron, Inc., will give them the required parking area needed in order to construct a 45,000 square foot, 2-story addition to their existing facility. They estimate this will create approximately 600 new jobs--at least 100 of which would go to Wilmington people.

The other parcel would house a 65,000 square foot, multi-tenant building. It is expected that the sales will be completed by the end of 1982.

At the end of 1981 there were three businesses operating in the Jewel Park employing a total of 370 people. At this time, the assessed value of the park is $910,250 and the annual taxes to the town total $60,986.75.

Council for the Arts

In early summer, 1980, the Wilmington Arts Lottery Council, a Selectmen's committee whose appointments were mandated by the State of Massachusetts, held its initial meeting in the Wilmington Memorial Library Conference Room. The purpose of the Council was to receive and disperse funds which were expected to be forthcoming from a statewide sale of Arts Lottery Game tickets. These tickets were sold on a monthly basis by the Massachusetts State Lottery Commission until July, 1981

Along with over 300 other local arts councils, however, the Wilmington Arts Lottery Council received no funding whatsoever from the State.

By a vote of the Council membership in April, 1981, the name of the Wilmington Arts Council was changed to the Wilmington Council for the Arts. The Council then proceeded without funding from any source to promote the creative work of local artists and craftsmen through a variety of activities and opportunities.

Initially, a reception for Wilmington artists was held at Memorial Library in April. The work of those who participated as well as that of several other local artists was then presented at a very successful exhibition for the public held in May during the "Open House" for the new branch facility of the Reading Saving Bank on Main Street.

Hoping to provide scholarship assistance and still unaware that State funding would not be forthcoming, the Council interviewed several high school seniors who planned to major in the Arts at the college level in the fall.

In cooperation with the July 4th Celebrations Committee, the Arts Council produced the first outdoor art exhibition to be held in many years on the Town Common. More than fifty paintings by local people were exhibited on July 3. Award ribbons were presented for superior work in several categories and local craftsmen were encouraged to display their work as well. The exhibition was received with enthusiasm and hopefully will become an annual event.

In November with cooperation from the Historical Commission the Wilmington Council for the Arts instituted a program designed to promote the work of one or two local artists each month in a series of "one-man shows" which continue to be held on the first Sunday of each month at Harnden Tavern during regularly scheduled open-house hours.

Especially with craftspeople in mind, the Council organized a Holiday Art and Crafts Sale which was held at Masonic Hall on Church Street in late November.

An indoor-outdoor festival of the arts, expecially for the children and young people of the Town is planned for a weekend in May.

Regardless of whether there is to be a revival of the Massachusetts Arts Lottery in the future, the membership of the Wilmington Council for the Arts feels a commitment to continue to support and provide encouragement for all local people who participate in the various areas of artistic endeavor, including the arts, the handcrafts, music and the theatre.

School Committee

The School Committee of the Town of Wilmington herewith presents its report for the year 1981. The membership of the committee is as follows:

John D. Brooks, Chairperson
Linda T. McMenimen, Vice Chairperson
Bridget Zukas, Secretary
James A. Demos
Philip A. Fenton
Lester E. White

Wilmington opened its school classes this year on September 9, 1981, with a total enrollment of 3,864 down 208 from last year's official enrollment of 4,072. The School Committee conducted 24 regular meetings,

9 joint meetings with the Finance Committee and Selectmen,
1 joint public budget meeting,
1 special budget meeting (April 27, 1981),
1 arbitration session,
1 executive session budget meeting,
1 meeting with town PACs,
1 special meeting on closing the Swain,
2 meetings regarding impact bargaining with WTA,
1 Directors' collective bargaining,
4 meetings to interview candidates,

for a total of 46 meetings for the year 1981. Numerous other subcommittee meetings were held for the purpose of collective bargaining and study of school facilities.

SCHOOL BUDGET

1981 saw the implementation of the first school budget under Proposition 2 1/2. The school budget was reduced from $8,637,830 for 1980-81 to $7,702,895 for 1981-82. This was a decrease in the budget of $934,935. On top of this, additional cuts had to be made to offset $347,618 in contractual raises, and $150,000 for unemployment compensation. Thus, the total amount that had to be cut was $1,432,553.

These reductions would have been worse (over $1.7 million) had it not been for the additional state aid appropriated at the Special Town Meeting in September. With the $309,000 appropriated to the school budget at that meeting, the School Department was able to reduce elementary class size from an average of 29 pupils per class to an average of 25 pupils per class.

	1980-81	1981-82	Reduction	
Full-time	354	286	-68	-19%
Part-time	52	23	-29	-56%
Total	406	309	-97	-24%

On the non-salary side, supplies and textbooks were reduced by -$136,204, a cut of 38%. Funds for library books were totally eliminated and audio-visual supplies were reduced by 53%. In addition, close to $40,000 in utilities was saved by the closing of three elementary buildings.

The net effect on the School Tax Rate was a reduction from $53.37 to $41.11. When viewed as a percentage of the Total Tax Rate, the School Rate decreased from 66.3% to 61.4%.

Within the School Tax Rate, however, are many costs which are not under the direct control of the School Committee. These items are the assessment for Shawsheen Tech, the Maintenance Department, and other school-related costs which appear in the town budget and not the school budget.

Analyzing the School Tax Rate into these components, we see the following comparisons for 1980-81 and 1981-82:

	1980-81		1981-82	
	School Tax Rate	Percent of Total Rate of $80.50	School Tax Rate	Percent of Total Rate of $67.00
A. School Budget	$37.03	46.0%	$27.90	41.6%
B. School Related Costs	4.40	5.4%	3.63	5.4%
C. Maintenance Department	8.37	10.4%	6.93	10.3%
D. Shawsheen Tech	3.61	4.5%	2.66	4.0%
	$53.37	66.3%	$41.11	61.4%

STAFF RECRUITMENT

The number of qualified teachers applying for jobs greatly exceeded the number of positions available. Because of cutbacks in other systems, the school administration received many inquiries and applications of certified teaching personnel.

ACCREDITATION

The New England Association of Secondary Schools, Inc. extended the accreditation of Wilmington High School through 1982. This action was based on a three-day visit to the high school by members of the New England Association of Secondary Schools, Inc. and the resulting report. The report commended the high school for the diverse programs and dedicated staff members. However, the report was critical of the poor facilities and resulting health and safety conditions that exist.

FACILITIES

The task force established by the School Committee to address the High School space requirements also reviewed the recommendations made by the New England Association of Secondary Schools, Inc. Some of the specific areas of concern are the poor science and physical education facilities, inadequate library and safety issues in the shop. This report will be presented to the School Committee early in 1982.

LEAVES OF ABSENCE & RESIGNATIONS

Requests for leaves of absence totaled 15 and were as follows:

Graduate Study	3
Illness	2
Federal Grant	1
Maternity	9
	15

Resignations totaled 20 as follows:

Retirement	1
Relocating	6
Family Reasons	1
Career Change	4
Reduction in Force	7
Teachers on Leave	1

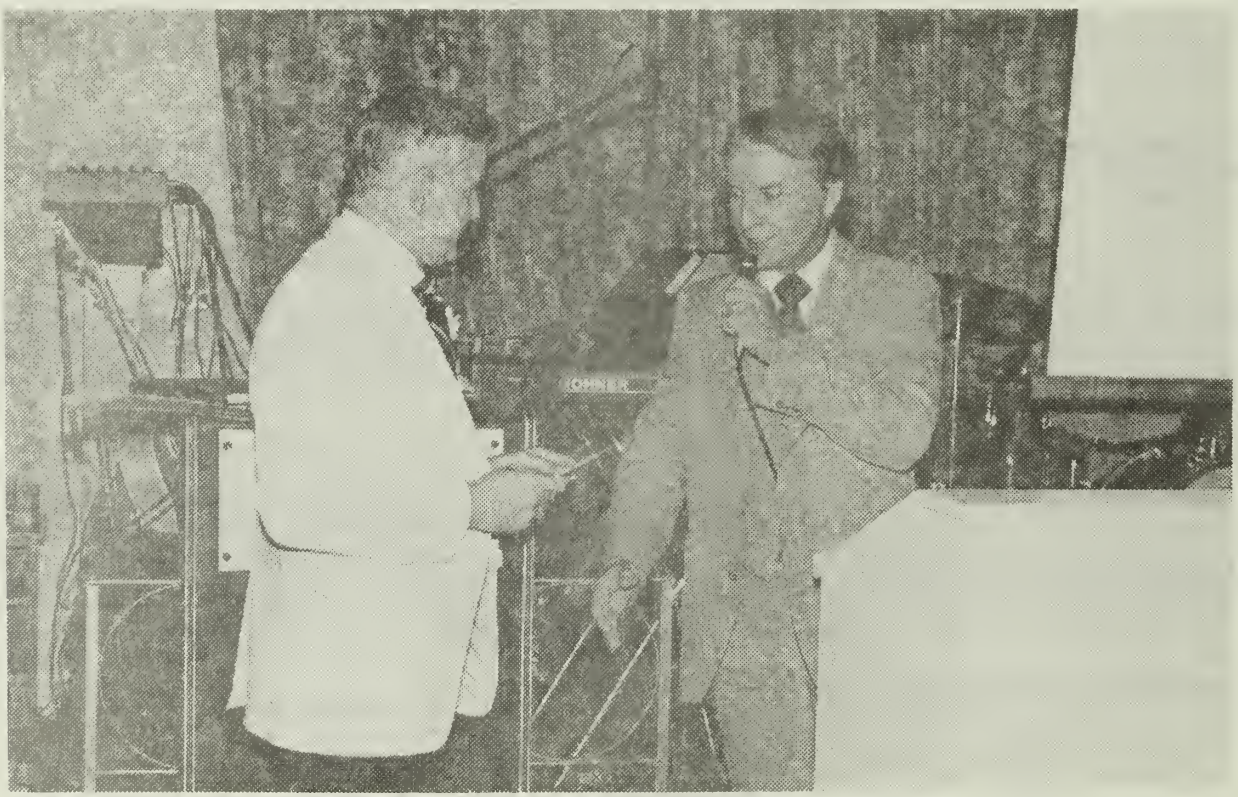
RETIREMENT

Superintendent of Schools, Dr. Walter H. Pierce, retired from the Wilmington Public Schools in June of 1981 after 25 years of dedicated service to the school system. Dr. Pierce began his career as a high school business teacher at Wilmington High School in 1956. Subsequent positions in the system included an elementary principalship and the Assistant Superintendency. He was appointed Superintendent of Schools in 1970. Dr. Pierce's tenure with the system was during a period of rapid growth and change. He was responsible for innovative programs and exciting educational directions. His commitment to academic excellence and the children of Wilmington is much appreciated.

DR. CAROL SAGER APPOINTED ACTING SUPERINTENDENT OF SCHOOLS

The School Committee named Dr. Carol Sager to the position of Acting Superintendent of Schools, thus filling the vacancy created when Dr. Walter H. Pierce retired in June.

The Committee is grateful to the Town Officials, other Town Departments, and to the citizens of Wilmington for their excellent cooperation and assistance during the past year.



Farewell gathering for former Superintendent of Schools, Walter Pierce

Superintendent of Schools

I am pleased to submit the Annual Report of the activities of the Wilmington Public Schools for the year 1981.

A review of the year's activities brings out the following highlights:

BASIC SKILLS

1981 was the second year of implementation of the Basic Skills Improvement policy as mandated by the Massachusetts Department of Education. Students in grades 3, 6, and 8 were tested in the areas of reading, writing, and mathematics. A listening test program was developed and will be implemented during the spring of 1982.

In the area of reading, 97% of all grade 3 and grade 6 students and 98% of the grade 8 students demonstrated achievement of minimum competency in reading. An individualized Basic Skills Reading Improvement Program has been established for students who did not meet minimal competency.

Also, because of our cohesive program and objectives, Wilmington students performed well on the tests in Basic Skills in writing/language. Using the Iowa Test of Basic Skills in grade 3, 93% were judged to be minimally competent. A program of remediation is being conducted by teachers for these students who did not achieve the level of competency. In grade 6, writing was tested again by the Iowa Test of Basic Skills and 94% were judged to be minimally competent.

A writing sample was the instrument to test students at the 8th grade level. After the samples were graded holistically, 82% were judged to be minimally competent.

In mathematics, curriculum modification related to our Basic Skills Improvement Program include the establishment of remedial courses at the intermediate schools and a course, Basic Mathematics, at the high school. The goal of these offerings is to provide special help for students in essential math skills.

The Basic Skills Advisory Committee in conjunction with the Wilmington Chamber of Commerce presented Basic Skills Awareness Day on September 24, 1981. Over 30 local businesses and community activities along with various departments of the school system presented displays and programs that emphasized the need for competency in Basic Skills for success in all endeavors. Many students and members of the community enthusiastically participated in this successful event.

GIFTED AND TALENTED PROGRAM

The School Committee, on the recommendation of the School Administration, voted to continue its commitment to the gifted and talented program by assigning two full-time teaching positions as systemwide resource teachers. The Enterprise program encompasses qualified students in grades 4 through 8.

The emphasis of the gifted and talented program for junior high students is twofold: 1) the development of independent study and research skills around problems of real interest to students, and 2) the effective use of mentors in the community. Wilmington's junior high program is associated with Merrimack Education Center's Title IV-C project.

The gifted and talented students in the elementary grades participate in programs to increase their research and study skills, problem solving ability, and independent decision making. Higher level thinking skills such as analysis, synthesis, and evaluation are developed through exercises involving critical thinking, creativity, and scientific experimentation.

IN-SERVICE COMMISSION

Under the direction of Dr. Carol Sager, Acting Superintendent of Schools, an In-Service Commission has been developed for the purpose of planning, organizing, implementing and evaluating all staff development and in-service programs for the school department. The In-Service Commission, which is being co-chaired by Cleo Fredette, Jr., Director of Special Education and Dolores Silva, Principal of the Woburn Street School, is a broad based group involving central office personnel, principals, curriculum directors and representatives of the teacher's association. The purpose of the Commission is to develop meaningful staff development programs with as much input from all areas of the school department as possible.

To date, the Commission has organized and presented a workshop by a noted Boston area psychiatrist to all professional staff dealing with the stresses of public education and Proposition 2 1/2. In the mid-winter months a series of workshops exploring reality therapy as an alternative to school discipline will be conducted at the Shawsheen and Woburn Street Schools.

ART

The Art Department is seeking innovative ways to expand opportunities available to students.

At the elementary level they are experimenting with supplementary art instruction on Wednesday afternoons for artistically gifted students. This is done on a volunteer basis by the staff. They have formalized a plan for testing to begin identifying the visually gifted in grades 4, 5, and - in the hope of helping these students throughout their school years to develop their talents and to increase their awareness of the great many career opportunities which exist.

With the help of parents the Art Department has been able to organize field trips to local art galleries that did not require money for transportation or teacher substitutes.

CAREER AND OCCUPATIONAL EDUCATION

The Career and Occupational Education Department has been able to obtain monies from a federally funded program called Microcomputers in Business Education. This program supports a technology classroom program in the area of Business Math, Accounting, Typewriting, and Fundamentals of Business. It is essential that business students have an understanding of at least a minimal level of computer functions and operations. The impact of the computer on the business and industrial communities has generated a specific need for the career oriented student to understand and develop skills for processing data by means of electronics.

Monies from another grant were designated to the Home Economics area at the intermediate grade level to provide supplies and materials for our "Everyday Living Program." With the increasing number of single-person households, single-parent households and households with both husband and wife working, there is a great need for both boys and girls to learn the essential homemaking skills. Through proper instruction, students will gain skills in providing good nutrition for the family, caring for and providing clothing for the family, managing financial and energy sources, providing and maintaining satisfying living conditions and family relationships.

The M.O.I.S. (Massachusetts Occupational Information System) which is still in operation provides occupational, education and financial data pertinent to a wealth of different jobs and careers. Job descriptions are continuously updated and cover many occupations. The printout tells what the job is, what a day's work is like, and what skills and training are required. It also gives information on starting salaries and the future outlook of the occupations. Our system hardware stays in the high school for two weeks. Then it goes to each of the intermediate schools for a week.

FOREIGN LANGUAGE

A record number of seventh graders (ninety percent) are taking a course in either Exploratory French or Exploratory Spanish. Both Exploratory courses are designed to allow students to discover their foreign language ability and interest. By beginning a foreign language in grade seven, students are then able to elect four to five full years of French or Spanish. Approximately one hundred and thirty students are enrolled in either a fourth or fifth year language course at the high school. More than sixty percent of all high school students are taking at least one foreign language course. French, German, Italian, Latin and Spanish are currently being offered at the high school.

During the month of October, we welcomed an exchange student, Felix Martin, from Ma[illegible]. Felix s with the McNally family and visited Spanish classes at the high school and a[illegible] McNally, a junior, is going to Spain this summer and will stay with Felix's family.

LANGUAGE ARTS/ENGLISH

With the completion of the adoption of the Language Arts texts, LANGUAGE: SKILLS & US[illegible] all grade in the system are participating in a program to develop and emphasize skills in the [illegible]. Writing, spelling, vocabulary, grammar, usage, punctuation, capitalization, speaking an[illegible] the areas that are addressed by our Language Arts curriculum. Handwriting instruction is being [illegible] throughout the system. Students in grades 1 through 3 are using the Scott, Foresman program called OUR LANGUAGE. In the third grade, students made the transition to cursive writing. In later grades, many opportunities are given for the practice of this important skill.

A revision of the instructional objectives by intermediate English teachers was made this past year. Greater emphasis has been placed on writing and literature in addition to the listening, speaking, language, and study skills areas. A new program of Honors English has been offered at this level. The purpose of the [illegible] to provide increased opportunities for creativity and to develop skills for the college bound student. Additional objectives are added to the 8th grade curriculum.

For the first time, students at the high school participated in the Advanced Placement [illegible] position and Literature, and Language & Composition. Success in this exam makes possible college [illegible] vanced standing or both. 87% of the students taking this competitive, difficult exam achieved the pass grade, with many scoring much higher.

A minimum of 50% of the instructional time of English teachers is devoted to improving skills in writing. At least one weekly writing assignment continues to be a requirement for all courses. Wilmington students have received recognition for their writing skills with awards in statewide contests.

MATHEMATICS DEPARTMENT

The Mathematics Department is witnessing rapid growth in interest in computer programming offerings at the high school. Although our capacity for dealing with this expansion has been improved with the addition of [illegible] microcomputers, facilities currently operate at full efficiency and future growth should be anticipated.

The Mathematics Honor Society is in its second year of operation at the high school. Its 65 members [illegible] perform the task of tutoring students in need and participate as well in field trips, contests, and [illegible] related activities.

MUSIC

The Music Department staff continues to work diligently at all levels to provide quality programs [illegible] cation in which children will hopefully learn to appreciate and value their cultural musical heritage.

The High School marching band attended a successful summer camp on Bear Island, Meredith, New Hampshire [illegible] marching and music skills for the upcoming football season were taught.

The High School Winter Concert was a well attended, delightful evening of music and entertainment [illegible] enjoyed by all. The intermediate and elementary schools presented public performances during the [illegible] December. There are future plans for a town-wide music and art festival in conjunction with the Arts Council.

READING

Reading Curriculum Guide

A Reading Curriculum Guide for grades 7-12 was completed which provides content area teachers with [illegible] strategies for integrating instruction of basic reading skills into their content areas. Workshops for [illegible] mentation of the guide were scheduled for teachers by the reading specialists assigned at the intermediate schools and the high school.

[illegible] Continue To Improve

Test scores indicate that students in grades 1, 2, 4, 5, 7, 9, and 10 continue to show gains in the area of [illegible] comprehension development as measured by standardized tests.

In-Service Grant

An evaluation of the In-Service Grant for a project to provide in-service assistance to content area teachers [illegible] has been commended by Dr. Donald Landry, Project Consultant. As a result of this pro- [illegible] better able to assess student basic skill needs and to provide individual instruction based on specific needs.

[illegible] Program Continues in Wilmington

[illegible] services were provided for approximately 140 students in grades 1 through 6. Elementary schools which [illegible] for Title I funds were the Woburn Street School, Shawsheen School, Wildwood School and the Glen Road School. The Title I Parent Advisory Council held three successful systemwide meetings. This year marked the [illegible]th year that Title I has been in existence and is the largest program authorized by the Elementary and [illegible] Education Act.

SCIENCE/HEALTH EDUCATION

Peer Leadership Grant Renewal

The Science Department has received a renewal for its Peer Leadership Smoking Grant from the Department of [illegible] Health. The goal of this program is to help students resist peer pressure to start smoking. Results of the effectiveness of the program will be forthcoming this year.

A geology and marine studies program will be reinstituted at the high school. We are stressing these "Earth Studies" programs as an important part of our total Science program in an effort to keep current with the demands and concerns in those specific fields.

The astronomy course is in its second year of operation and appears to be more popular than ever. A total of 35 students are enrolled in this college level course.

Several elementary teachers are presently piloting three elementary science programs. The science Curriculum Adoption Committee will make a recommendation to the School Committee as to its selection. The program to be adopted will be a blending of both a test approach and laboratory process approach.

Health Education

Our K-8 Health Education is highly popular with students, teachers, and parents alike. More than ever, this program will begin stressing drugs, alcohol, and smoking education at the K-8 levels.

The junior high program is now interpreted into the science curriculum. Health Education topics will be covered in depth as part of that program.

SOCIAL SCIENCES

An elementary committee has completed its work in reviewing elementary social studies materials and the program adopted is systemwide - The People & Their Heritage Series by Ginn & Company. The new program is adaptable to a wide spectrum of ability levels and provides continuity to the Social Studies curriculum. The content of the new program is more traditional in its approach and stresses basic citizenship skills mandated by the state.

At the high school, students are continuing to volunteer and to participate in a government internship program sponsored and coordinated by Representative James Miceli's office. The program involves students in the following areas: (1) Constituent Services; (2) Hearings; (3) State Agencies; (4) Human Services Committee. Students will participate on an independent study basis.

SPECIAL EDUCATION

Chapter 766, the State's Comprehensive Special Education Law, requires that the State Department of Education monitor and evaluate each school system to determine the degree of compliance with the law and special education regulations. In March, a team from the Massachusetts Department of Education, Division of Special Education came into the Wilmington Public School system to assess the level of compliance for the Wilmington Special Education Program.

The Department of Education personnel reviewed seven aspects of the Special Education Program. They were: child identification activities, TEAM evaluation procedures and practices, special education and required treatment services, physical facilities, transportation services, personnel and personnel development, and finances.

In all areas the Special Education Program was found to be in total compliance with all Chapter 766 regulations. The state personnel assessed 72 specific areas under the above categories, and the local Special Education Program received "exemplary" in 26 out of 72 areas.

WILMINGTON HIGH SCHOOL

Scholastic Achievement

Recognizing outstanding students is an ongoing process at the High School. This past year nineteen (19) juniors and thirty-two (32) seniors were inducted into the National Honor Society. Many of these students provided tutoring to other students as part of their service project.

We are most pleased with the students who made the Honor Roll this past year. Worthy of special recognition are the 165 students who made it for all four quarters. Each of these students received a certificate. The thirty students who made the Honor Roll for two years received a Wilmington "W". Finally, the twenty-three students who have been on the Honor Roll for three years received a sweater with Wilmington High School embossed on it, as well as the lamp of learning. Students are proud of their accomplishments and wear them on Wildcat Day.

National Merit Scholarships

Each year the Educational Testing Service administers a test called the Preliminary Scholastic Aptitude Test. From this test the National Merit Scholarships are determined. This past year Wilmington High School had its first finalist, Katherine M. Gillespie. Kathy was recognized for being one of the top 4,700 students in the nation and received the Colby, Maine College Merit Scholarship. Kathy, the daughter of Mr. and Mrs. Carroll Gillespie, graduated in June, 1981.

Guidance Department

The guidance department consists of four guidance counselors who do academic and some personal counseling. Through a variety of evening programs, large groups of parents can learn more about the high school and planning for college. Among the most popular evening programs are those dealing with college admissions, financial aid, and high school course selection. This year the guidance counselors from the intermediate schools and high school are meeting monthly with a psychologist to discuss the problems their students are having. Among the topics raised are self-respect, depression, and the problems of single parenting.

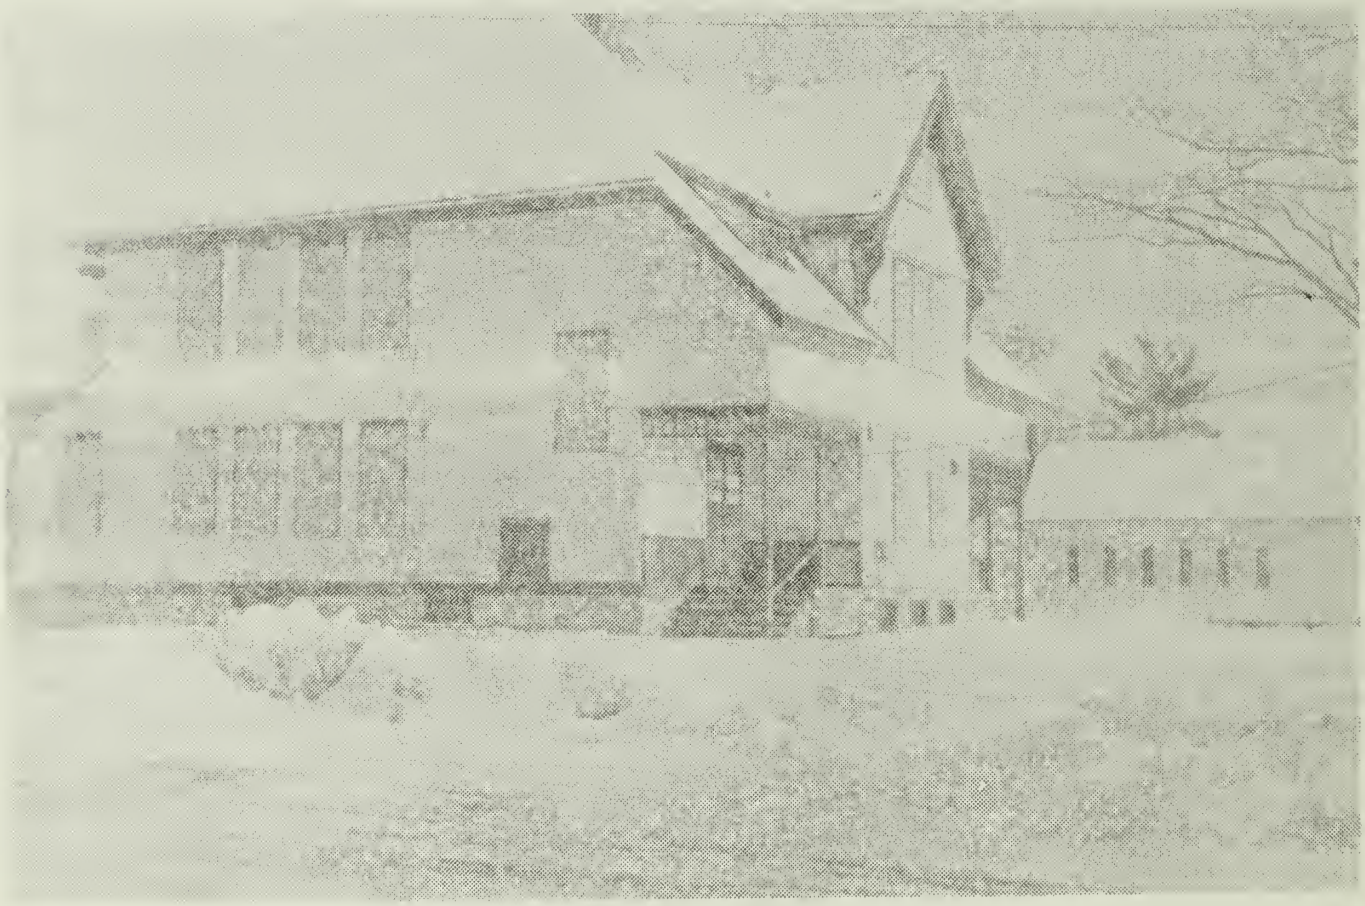
Advanced Placement Program

Hard work resulted in thirteen students passing special tests that gave them college credit for their high school work. The students achieved college credit in U.S. History, English, Foreign Language or Calculus, by passing the Advanced Placement Program Tests.

STATUS OF THE CLASS OF 1981

To four year non-state colleges and universities.....	49 (16.9)
To four year state colleges and universities.....	53 (18.3)
To two year non-state colleges.....	6 (2.0)
To two year state colleges.....	45 (15.5)
To nursing schools.....	3 (1.1)
To other post high school education.....	12 (4.1)
Total to further education.....	168 (57.9)
To working forces.....	101 (34.9)
To military service.....	9 (3.3)
To marriage and work.....	11 (3.9)
Total	289 (100%)

In conclusion, I would like to take this opportunity to extend my appreciation to the School Committee, administrators, teachers, parents and students who contributed their efforts to the Wilmington Public Schools during the 1981 school year. A special note of thanks to the many town departments that cooperated with the school system in 1981.



Old Center School closed after 96 years of service

Shawsheen Regional Vocational/ Technical School Superintendent/ Director

The year 1981 started with various actions taken by the School Committee in order to comply with the new Proposition 2 1/2. In order to keep our expenses to a minimum, economic measures were enacted by the School Committee. It was felt essential to have any supplementary programs be self-supporting. This would affect the adult education program, summer school and the afternoon program. The summer school program was limited to students from the five towns who were required to take make-up courses. The charges for these courses were such that they covered the salaries of the teachers as well as other costs and effected considerable savings over the previous year. The adult education program for the fall of 1981 generated a cost of $60.00 for a 60 hour program with approximately 375 adults participating in a number of courses. The situation in adult education is that the residents of the five towns are appreciative of the need to economize and are willing to pay the cost of running these programs.

BUDGET - In the spring, meetings were held with finance committees from various towns to discuss the upcoming Shawsheen Tech budget for the year 1981-82. Since this budget reflected a 15% cut over the previous year and, notwithstanding our enrollment was increasing, the situation caused a considerable challenge to the administrative staff to maintain the high quality of education. In line with the requirements of the legislative act, Proposition 2 1/2, the administration and the School Committee worked together in order to be certain that we would comply with the requirements. The budget was submitted to the five towns and since it reflected the cuts that were requested, the line item was approved at all town meetings. Preliminary discussions were held in the fall and early winter of this year for the upcoming budget for the school year 1982-83. The School Committee is cognizant of the fact that with increased numbers, it will be impossible to cut any staff. However, we do anticipate that budget cuts will have to be made in order to conform to the guidelines that have been established.

ENROLLMENT - September of this year saw an unusual situation due to the fact that we have absorbed the approximately 160 students who were in the afternoon program this past year, as well as an additional 50 students into the incoming 9th grade. As a result, the population of the school is at the highest it has ever been, 1776 students. Although this has resulted in every teaching station being filled in the shops and an increase in class size for the academic programs, our greatest concern was the fact that the school was not designed for that large number of students and there have been problems of overcrowded corridors during passing time between periods. This matter has been reviewed with both Captain Mason, the Safety Officer at the Billerica Fire department and the Building Inspector for the town of Billerica, Mr. McMahan. We hope to keep a close watch on this situation in order to protect the students from possible injury during the times that this overcrowded condition exists. In order to accommodate students in the classrooms, additional furniture was needed, most of which came from the local schools.

BASIC SKILLS - In accordance with the state regulations, all 9th grade students were given the basic skills test with the following results: 78% of the students achieved minimum standard in reading; 85% in mathematics; 94% in writing. The standards were established through a Basic Skills Committee that was formed to oversee the basic skills policy.

GIFTED AND TALENTED - Since the inception of the school, we have always made provisions for those students who are categorized as Special Needs and may have some handicap to overcome. By contrast, we have also recognized the fact that above average students should be encouraged to fully utilize their abilities in every way possible. To expedite this, we have developed special programs that are intensive in nature and are designed for those high-ability students who plan to become technicians or go on to higher education.

STUDENT PROJECTS - The students in the various departments of the school have engaged in remodeling projects that are beneficial to the respective towns and also provide good training to students in their specific skills. This year saw the completion of the remodeling of the administrative offices at the Center School in Burlington, installation of a new lavatory facility and building of a ramp for the handicapped at the Billerica Town Hall. The yearly house building project was unique in that the students under the direction of their instructors, built a specially designed solar house in Tewksbury. The house was completed in early summer and an open house was held in June which attracted some 1400 people. The various shops participating in the completion of this house included carpentry, masonry, plumbing, electrical and metal fabrication.

ADULT TRAINING PROGRAMS - During the summer we started the first programs especially designed for adults. Project Summer was designed for training adults in the areas of word processing and as computer data entry operators. Project PAT was designed to train unemployed adults in office practices consisting of shorthand, accounting, typing and office machines. Project CAP is a computer application program held for six months to train COBOL Programmers. This project was designed especially for those teachers and municipal employees who lost their jobs.

OPERATING EFFICIENCY - Two major factors have been identified with improving the operating efficiency of the school: Computerized control of energy became operational in February. This system consists of a number of sensors located around the building which direct the signals to the computer controlling the heating system. Secondly, an updated telephone system has been installed which makes it possible to more closely monitor all calls being made within the school. At present we are developing plans for a Copy Center in the area adjoining the Graphic Arts Department. This center would be operated by personnel from the Graphic Arts Department and will help teachers in making the material available which they require as part of their teaching program. It is hopeful that early next year this center will become operational.

CHAPTER 74 EVALUATION - Early this year we were visited by Mr. Ghernot Knox and Mr. Joseph DeRosa, Supervisors from the State Division of Occupational Education. They made a complete evaluation of the school. The evaluators recommended that all of the programs be given continued approval.

ADVISORY COMMITTEES - Both the General Advisory Committee, which represents a cross-section of residents of the five towns, and the Craft Advisory Committee, which is made up of individuals who are experts in their respective areas, met at various times during the year and provided valuable recommendations for the maintaining of the high standards of quality in vocational education.

GRADUATION - Graduation was held this year on June 6 at the Shriners Auditorium in Wilmington. There were 375 seniors who graduated, almost all went to work in their respective skills. The 1981 graduating class had a total earning capacity of almost three million dollars which will be infused back into the local communities.

This year has seen an increased concern on the part of training and retraining adults in various vocational programs and the increased interest on the part of high school students to attend Shawsheen Tech. At no time since the opening of the school have we been able to accommodate all the students who have applied to this school. Although some of the towns have shown a loss of students, the interest in Shawsheen Tech has been consistently high. This is understandable since the placement record of our graduates and the reputation that Shawsheen Tech has established with business and industry has been of the highest quality. Notwithstanding the overcrowded conditions and the cuts made due to the economy, all of us on the staff at Shawsheen Tech feel this is a challenge to continue in every way to make Shawsheen Tech operate as successfully as it has been in the past.

LOOKING AHEAD - We find that, with the establishment of the Lahey Clinic, the expansion of facilities by Computervision, Micro-Wave Associates and GCA, and others, and the proposed new facility of the Boston Globe, building of three large R & D establishments on the corner of Cook Street and Boston Road, and additional electronic facilities to be built on nearby Alexander Road, indications are that the future for Shawsheen Tech and its involvement with new and expanding industries has become more and more significant.

Shawsheen Regional Vocational/ Technical School Committee

Elected Representatives of the School Committee are:

Bedford

Anthony R. Mazzone
Joseph L. Rogers, Chairman

Billerica

Kenneth L. Buffum
Secretary-Treasurer
Bernard Hoar

Burlington

John G. Murphy
John P. Miller

Tewksbury

Richard E. Griffin
Wilson E. Brazile

Wilmington

Lawrence P. Flaherty
Vice Chairman
Frank McLean

Carolyn W. Broderick
Executive Secretary

Regular meetings of the Regional School Committee were held the second and fourth Tuesdays of the month. Special meetings were called by the Chairman as the need arose. The time and place of all meetings are duly posted by the District Town Clerks at least forty-eight hours in advance. Unless otherwise noted, the meetings are held at the school facility located at 100 Cook Street, Billerica. These meetings are open to the public, and residents of the District are welcome to attend.

It was a pleasure serving again as Chairman of the Shawsheen Valley Regional School Committee. It was a busy year for the Committee, and as Chairman, I would like to relate to you some of the issues we had to face.

Shawsheen has taken the 2 1/2 situation in stride by making adjustments in its operation. The ASTP Program (afternoon program) was cancelled for the school year 1981-82 due to Proposition 2 1/2. These students were accepted into the regular day program. This did pose some overcrowding in the beginning of the school year, but is has worked out and things are running smoothly. 160 students were involved in this transition.

Adult Education was tried on a self-supporing basis with 400 adults participating. It has become another success story, offering 23 different programs four evenings a week. The most popular are Word Processing, Automotive, Masonry, Data Processing and Medical Assistant.

In recognition of the needs of business and industries, our Area Coordinator, in his fourth year, developed an Electronics Technicians Computer Operators Training Program (ETCO) at no cost to the District due to a Federal Grant. Also, Project PAT, Placement, Assessment and Testing, assisted area residents in finding employment. The eight week course provided training in shorthand, filing, accounting, and word processing. Every effort is being made to offer retraining programs to adults who, for one reason or another, have lost employment.

Family Swim Programs are offered to the five sending towns on Monday through Friday evenings from 8:00 p.m. to 9:30 p.m. Throughout the year at a minimal cost, swimming lessons were also offered, as was the Red Cross Safety Instructors' course.

Since no money was provided for the operation of summer school, this program was also made self-sustaining. Make-up by students, being necessary at times, lent merit to this program. Summer school ran for six weeks and a Vocational Introductory Program was also offered for special need students during this period.

Graduation was held in the Shriners' Auditorium again this year to a packed house. The guest speaker was Channel 5's Meteorologist, Dick Albert. A large number of students received awards and scholarships for further education.

The Student Advisory Committee met with the School Committee throughout the year and made meaningful contributions to the operation of the school, for which the Committee was grateful. Each year a Red Cross Bloodmobile is sponsored by the Student Council as well as numberous other worthwhile projects. The students also took 1st, 2nd and 3rd prizes at a State-wide VICA competition.

The Boss System, a means of controlling operational costs, is in full service and beginning to show results.

The first Solar House building project was undertaken this past year involving 90 students of the District - another success story of which they can be proud. The students also erected ramps for the physically handicapped and numerous other projects throughout the communities.

To keep abreast with industry, the School Committee saw it necessary to upgrade areas within the school such as the Computer Shop with the addition of Word Processing equipment and a new DEC 20 computer. The Machine Shop and Electronics Shop were also revamped.

Twice in the past year it became necessary to honor a Fuel Adjustment request from the SVT Bus Service, Inc. Recently we have been reviewing the budget for the coming year, with a "no increase" theme. The Public Hearing and acceptance of the budget will take place in January of 1982.

To the District Towns we offer our gratitude for their assistance and support, without which we could not survive. The School Committee expresses its thanks to the faculty and staff of the Shawsheen Valley Technical High School for their cooperation throughout the year, and to the student body for their continuing effort in making Shawsheen the number one school in the country. Last but not least, to the School Committee members, my co-workers, for their assistance to me throughout the past year, a grateful Thank You.

Housing Rehabilitation Program

The Town of Wilmington conducted a highly successful neighborhood rehabilitation program. It was funded by a $245,000 HUD Community Development Block Grant. The program provided the necessary financial assistance to substandard housing conditions in the Silver Lake target area. Thirty-five households of low and moderate income directly benefited. Fifty-four percent of these households were headed by females.

HUD did not approve the Town's application to continue the program; therefore, it was terminated in September, 1981.

Recreation Commission

The Recreation Department experienced a 57% cut in appropriations for 1981/82 due to the passage of Proposition 2 1/2. This mandate speeded up the process of utilizing alternative funding sources for recreation programs. Increased emphasis is being put upon volunteerism, fund raising, increased user fees, civic and fraternal group donations plus assistance from local business and industry. Since all of these efforts were already in practice the impact of 2 1/2 was not as severe as it might have been.

People everywhere are even more in need of activities that present a challenge, an opportunity for accomplishment, satisfaction or just plain fun. With this need in mind, the Wilmington Recreation Department continues to deliver a program of constructive and diverse recreation activities to the community with minimal impact upon local taxes.

The following departmental objectives guide us in our efforts:

To provide opportunities for self expression
To develop a sense of personal worth
To provide activities that allow for personal achievement and accomplishment
To provide activities that are fun and enjoyable
To provide physical activities which are new and different, offering a certain amount of challenge to participants
To teach skills in various activities that will have carry over value in later life
To provide a healthful and diversified program of recreation activities in an attempt to meet the needs and interests of the people being served

The Recreation Department, in its eleventh year with a full-time director, presents the following information on 1981 programs and activities:

YOUTH PROGRAMS

Summer Playgrounds: The playground program ran for 6 1/2 weeks at the High School. Children who completed grade 1 through 6 were eligible for this Monday through Friday program. The playground was open from 9:00 a.m. to 12:30 p.m. Two leaders with young CETA helpers supervised the program. Activities that were part of the program included arts and crafts, quiet games, tournaments, active sports and special events. These special events included the Police Association Soap Box Derby and their Beach Day, Penny Carnival (proceeds went to the Jimmy Fund), Canobie Lake field trip, Red Sox Trip, K of C Olympics, and the Sand Castle competition at Crane's Beach.

Tiny Tots: The Recreation Department housed this extremely popular and successful summer, pre-school enrichment program at the public library. This cooperative relocation effort only seemed to improve the experience each child received. There were two three-week sessions that ran Monday through Friday. The morning class consisted of four year olds and the afternoon class consisted of five year olds. There were two staff members along with seven CETA helpers and volunteers. The repertoire of activities included: songs, games, movies, stories, arts and crafts, library hours and special trips to the Boston Children's Museum and the Swan Boats. There was also a T-shirt Day, Doggie Day, Dinosaur Day, Circus Day and Hawaiian Luau Day. Each session ended with parents and friends attending a very special Graduation Ceremony and Party.

Special Needs: Our summer program for local youngsters with a special need was held again at Camp 40 Acres. Over forty boys and girls benefited by this unique and extremely beneficial recreation program. The children were bused to the Camp and back to the High School each day Monday through Friday for the 6 1/2 week schedule. Payment for the bus was made from donations. There were nine staff members, several CETA youth workers and some volunteers. Included in the program was arts and crafts, music, quiet games, active games, pool days, overnights, cookouts and field trips. The Elks sponsored the Annual Superstars Day where many surrounding towns and cities took part in our mini-special olympics. The Sons of Italy helped with the awards supper. The Public Buildings Department employees gave a special cookout extravaganza at the Camp. Game World helped

Teens: Special event trips for teens included Hampton Beach, Salisbury Beach, Red Sox and Cranes Beach. A rock concert was held on the Common on Sunday, July 12.

Baseball: This team is for boys ages 16 to 18. They play in the Northeast League during June and July. Abou 18 boys participated. They played home games on the varsity field on Tuesday, Thursday and Friday evenings. Nature Food Centres, participation fees and passing the hat helped support the team in its 9th year.

Girls Softball: There were 6 teams in the intra-town league. Each team consisted of 15-18 girls who were between the ages of 13 and 17. Each team played a 15 game schedule at the Town Park and Swain School. Their season ran from early June through most of August. Concluding the season was a tournament for the top four teams.

The traveling all star team consisted of 18 girls. They played in the 14 team Middle Essex League. Their schedule consisted of 14 games. Their season ran from late June through mid-August followed by a league all-star game and playoffs.

Boys Softball: This is an intra-town program for boys ages 13 to 17. The 1-pitch league consisted of 6 teams of 15 boys each. They played their 14 game schedule on Saturdays and Sundays beginning early May and running through June. Games were played on the J.V. field. A single elimination tourney involving the top 4 teams concluded the season.

Town Beach: Lifeguard protection had to be reduced due to shortage of funds. The number of days that the beach was open had to be reduced and the daily hours had to be reduced. This is unfortunate because many residents of all ages use this extremely valuable natural recreation asset. The beach was open seven days a week from June 27 to August 23.

Swimming Lessons: There was an extensive summer program at Silver Lake and a school year program at Shawsheen Tech. The summer program registered hundreds of local youngsters ages 6 and up in Red Cross program such as: beginner, advanced beginner, intermediate, basic water safety, distance swimming and advanced life saving. The basic courses ran on a Monday through Friday basis for two-week sessions. The program ran for the month of July and August. There were two instructors and several helpful aides. The head instructor also taught CPR and recertified lifeguards. This program may be our most valuable of all.

The school year program ran at Shawsheen Tech on Sundays throughout most of the school year. There were youth lessons and family/adult swim time available for local residents.

Canoeing: The Recreation Director and a local boy scout troop conducted a clean up of the perimeter of Silver Lake from canoes. This was accomplished on May 16. The Director taught the group in the basics of canoe safety and skills after the clean up took place.

Canoe lessons were conducted at Silver Lake during August. Many girl scouts took advantage of this opportunit in anticipation of a troop canoe trip in New Hampshire.

Town Canoes, used in the lessons, were also available for rental on Silver Lake during beach opening hours.

Sailing Clinic: There was both a sailing and canoeing clinic held at Silver Lake on Tuesday and Thursday evenings, June 2 and 4. Many people of varying ages gained much valuable knowledge in these aquatic pursuits.

Soccer: There was both an intra-town program and a traveling team program.

The intra-town league ran on Saturdays from early September to early November. Over 250 boys and girls in grades 1 to 6 participated. This program was well managed by a group of dedicated parents. These coaches and managers stressed team play and basic skills.

The traveling teams played in the Middlesex Youth Soccer League.

There was a team for boys under sixteen and a team for boys under fourteen. They played on Saturday and Sunday from mid-April to mid-June behind the Shawsheen School.

Tennis Lessons: The spring lessons were held on Saturday for five weeks at the Woburn Street School. Participants ranged in age from 9 to 16. There was also an adult class. The four one-hour classes met from late May to mid-July. The five-week summer session consisted of two youth classes.

An instructional clinic was held on Sept. 26 for those wishing to learn a few basics in a short period of time

Fun Runs: These monthly events were held on the first Saturday of each month from May through November. Starting time was 10:30 a.m. at the Common. They were held at no charge other than a one dollar adult fee which was returned to the joggers in the form of prize drawings. The races were informal in nature and were open to anyone. Ages nine and up participated.

Ski Lessons: This popular program for grades 4 to 6 were held for five Wednesday afternoons in January. The boys and girls learned the basics in a very popular winter sport. Over fifty downhillers enjoyed the program.

Santa's Workshop: About 400 little boys and girls came to see Santa and his busy elves. Sweetheart Plastics financed this very popular special. Each child received a free color snapshot with Santa, a candy cane, a helium filled Christmas balloon and other assorted items. The program was held on a Sunday afternoon and on the following Monday, Tuesday and Wednesday evenings.

Gymnastics: There was a spring and fall program for boys and girls ages four through high school. The spring program was held for five saturdays in the High School Gym. There were four classes for girls that began in mid-April. The fall program ran for ten saturdays included boys. It bagan on September 26. Basic tumbling, exercises, games and beam work was stressed.

Baton: The 10 week winter program included four classes that met in the High School on Saturdays beginning January 17. There were also four classes in the five-week spring program that began on April 18. Many of our twirlers marched as a unit in the Patriots Day Parade in Lexington and other area parades. Their group picture even appeared in a national baton magazine. The fall program began on September 26. It consisted of four glasses. The program ran for ten weeks.

Ballet: The winter program ran for ten weeks on Tuesday afternoons at the Glen Road School. There were two classes which met for an hour each. Basic routines were taught. Participants began to develop poise, confidence and a sense of gracefulness. The spring program was run in the High School Gym for five Saturdays. It began on April 11. There were three classes. The fall program consisted of three classes that met for ten weeks in the High School Gym. This program began on September 26.

Others: Some other programs we ran or helped run were: basketball clinics, track clinics, memorial races, ski trips, snorkeling clinic, scuba lessons, ice follies trip, public skating, junior winter carnival, special childrens Valentines party sponsored by the Rotary Club, Rotary basketball shootout, K of C foul shooting contest, Red Cross Swim-a-Cross, Wilmington roller skating parties, basketball dances, special childrens Easter Egg Hunt sponsored by the Rotary Club, Easter Egg Hunt, horribles parade sponsored by Kiwanis, Town Employees, Police Association and Rotary; put, pass and kick sponsored by Rotary, Boston Pops trip, Sturbridge Village trip, Edaville Railroad Christmas trip, jogging clinics, Boston Harbor cruise, Barnum and Bailey Circus trip and the special childrens Christmas party sponsored by Rotary and Sons of Italy.

ADULT PROGRAMS

Mens Basketball: This competitive league consisted of nine teams. They played their fifteen-game schedule on Sunday, Monday, Wednesday and Thursday in the High School Gym. The program ran through March 26.

Mens Gym Night: Each Thursday evening from December through March men played basketball on an informal manner. This program ran out of the West Intermediate Gym.

Universal: The ten-week winter program ran on Monday and Wednesday evenings from 7 to 8 p.m. in the High School. Many ladies enjoyed the novelty and healthful benefits of the Rotary Club donated Universal Exercise Machine. The program ended on April 1. The fall program ran on Monday and Thursday evenings from 7 to 8 p.m. Ladies and men both enjoyed this ten-week program that began on September 28.

Yoga: This healthful/relaxful program ran for ten weeks in the winter. There was a beginner and advanced class which met on Tuesdays at the Glen Road School.

Ladies Slimnastics: The ten-week winter program met on Monday and Wednesday evenings at the West Intermediate Gym. This popular program concluded its winter session on April 1. The ten-week fall program began on September 28.

Aerobics: This ladies exercise program also operates out of the West Intermediate Gym for ten weeks on Monday and Wednesday evenings. It begins shortly after the slimnastics class vacates the gym.

Concerts: The Recreation Departments "Sounds of Summer" concert program included seven evening concerts on the

Concerts: (continued)
Common. The first concert was on June 9. The last concert was held on August 18. Sponsoring concerts were Compugraphic, F & R Auto Supply, Kiwanis, Charles River Breeding Labs, Chamber of Commerce and W.G. Leavitt and Sons, Insurance.

Co-ed Volleyball: This adult program was held on Thursday evenings in the North Intermediate Gym for ten weeks beginning January. Play was informal and enjoyed by both the ladies and the men.

Others: Other adult programs that the Recreation Department was involved in were: X-country ski clinic at Ski Haus, ski trips, swimming and beach use, canoe lessons and clinics, sailing clinic, tennis lessons, jogging clinics, police and town races, fun runs, scuba, snorkeling, yoga and stretching clinic, memorial races, Bruins tickets, B.U. football tickets, public skating and several field trips.

Members of the Recreation Commission successfully managed the men's softball league and July 4th activities.

The Recreation Department and Commission wish to give thanks for the extensive involvement of volunteers and the valuable contributions from business, industry and civic/fraternal groups. They all play an increasingly important role in Wilmington's Recreation Program.

Town Meetings

WARRANT FOR THE ANNUAL TOWN MEETING - APRIL 18, 1981
WITH ACTION TAKEN THEREON

TO EITHER OF THE CONSTABLES OF THE TOWN OF WILMINGTON:

GREETING: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the High School Gymnasium, Saturday the eighteenth day of April, A.D. 1981 at 9:45 o'clock in the forenoon, the polls to be opened at 10:00 a.m. and shall be closed at 8:00 p.m. for the election of Town Offices:

ARTICLE 1. To bring in your votes on one ballot respectively for the following named offices, to wit: Two Selectmen for the term of three years; One Moderator for the term of one year; Two members of the School Committee for the term of three years; One member of the Housing Authority for the term of five years, One member of the Redevelopment Authority for the term of five years.

QUESTION No. 1. Shall the Town vote to amend, in accordance with the Home Rule Proceedures Act, Chapter 592 of Acts of 1950, entitled "An Act Establishing a Town Manager Form of Government for the Town of Wilmington" by changing the date under Section 17, from the twentieth day of December to Ninety (90) days prior to the annual Town Meeting summarized below?

Yes _____

No _____

SUMMARY:
Chapter 17 of the Town Charter currently requires the Town Manager to submit his budget to the members of the Board of Selectmen and Finance Committee on or before December twentieth of each year. This proposed amendment to the Charter would extend the time of submission of the budget to ninety (90) days before the Annual Town Meeting presently held on the fourth Saturday of April.

You are also hereby further required and directed to notify and warn the said inhabitants of Town of Wilmington who are qualified to vote on elections and town affairs therein to assemble subsequently and meet in Town Meeting at the High School Gymnasium Church Street in said town of Wilmington, on Saturday the Twenty-fifth day of April, A.D. 1981 at 1:30 p.m., then and there to act on the following articles:

In accordance with the above Warrant, the meeting was called to order by the Moderator, Mr. John M. Callan at 9:50 a.m. and as much of the Warrant as is noted above was read and upon a motion by Mr. William Russell it was seconded and voted to dispense with further reading of the Warrant.

All voting machines were opened and the zero sheets were posted so that the candidates could examine them before the polls were opened. The checkers were prepared with their voting lists and voter identification cards and everything was in readiness at 10:00 a.m.

The polls were declared open at 10:00 a.m. by the Moderator, John M. Callan.

At 8:00 p.m. the polls were declared closed and the printer packs were removed from the back of the voting machines and one copy was given to the tally clerks, one was posted outside the railing so that each candidate could add up his own totals at once. There were forty-one (41) absentee ballots cast which were added to the machine totals.

The Town Clerk read the results of this election at 9:00 p.m.

All the totals from the twenty-five machines plus the absentee ballots were recorded and declaration thereof made, as by law is directed and were for the following:

SELECTMEN - Three years (Vote for two)

Question No. 1.
"Shall the Town vote to amend, in accordance with the Home Rule Proceedures Act, Chapter 592 of Acts of 1950, entitled "An Act Establishing a Town Manager Form of Government for the Town of Wilmington" by changing the date under Section 17, from the twentieth day of December to Ninety (90) days prior to the Annual Town Meeting as summarized in main warrant?

Yes	716
No	295
Blanks	1055
	2066

All elected officials present were immediately sworn to the faithful performance of their duties by the Town Clerk.

There were Two Thousand Sixty-six (2066) votes cast. The total number of voters registered for this election were Nine Thousand Three Hundred and Thirty-two. 22.1% of registered voters voted in this election.

ADJOURNED ANNUAL TOWN MEETING, WILMINGTON, MASSACHUSETTS - APRIL 25, 1981

At 8 p.m. the Moderator called the meeting to order there being a quorum present. The Moderator stated the meeting had been properly posted as per return of service on previous page. The Wilmington Girl Scouts opened with a Flag ceremony and the singing of America. Rev. William Murdock, the new Minister of the Congregational Church, gave the invocation. The Moderator, John Callan began reading the warrant and was interrupted by Selectman Robert Cain. "I move that the Moderator dispense with further reading of the warrant and take up and make reference to each article by number."

ARTICLE 2. To hear reports of Committees and act thereon. Mr. Cain, 'I move that we pass over this article." Motion seconded and so voted.

ARTICLE 3 To see if the Town will vote to raise and appropriate a sum of money for the purpose of paying unpaid bills of previous years or do anything in relation thereto. Mr. Caira,' "I move that we pass over this article." Motion seconded and so voted.

ARTICLE 4. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1981, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor payable within one year, and to renew any notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17 or do anything in relation thereto.

Motion by A. John Imbimbo, "I move that the Town vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1981 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17." Motion seconded and so voted.

ARTICLE 5. To see how much money the Town will appropriate for the expenses of the Town and the salaries of the several Town Officers and Departments and determine how the same shall be raised, whether by taxation, transfer from available funds, or otherwise: or do anything in relation thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum of money for the purchase of four police vehicles and further to authorize the sale or turn-in, if any, of the vehicles presently used by the Police Department; or do anything in relation thereto.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for the observance of Memorial Day and Veterans Day, and that the Moderator appoint a committee who shall arrange and have charge of said observances; or do anything in relation thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of $750.00 each (or a total of $1,500) for the purpose of renewing under authority of Section 9 of Chapter 40 of the General Laws as amended the lease of:

a. Veterans of Foreign Wars Clubhouse on Main Street for the purpose of providing suitable headquarters for the Nee-Ellsworth Post No. 2458 of the Veterans of Foreign Wars of the United States.

b. American Legion Clubhouse, Inc., in Wilmington for the purpose of providing suitable headquarters for the Wilmington Post No. 136 of the American Legion. or do anything in relation thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring a parcel of land for Water Department purposes, and to determine how the appropriation shall be raised and to authorize the Board of Water & Sewer Commissioners and/or the Board of Selectmen to purchase, take by eminent domain, or receive as a gift a certain parcel of land for such purposes, said land being described as follows:

Beginning at a point in the northerly sideline of Ainsworth Road, thence N21° 05'33" W distant 877.40 feet by land of Corey to a point, thence N71°01'53" W distant 250.00 feet by said land to a point, thence N18 53'13" E distant 712.28 feet by other land of Corey to a point, thence S77 08'10" E distant 283.14 feet by other land of Corey to a point, thence S12° 51'50" W distant 704.22 feet by said land

to a point, thence N87°06'10" E distant 198.00 feet by said land to a point, thence S00°19'07" E distant 834.24 feet by said land to the point of beginning, being Lot FA, containing 8.3 acres all as shown on a plan entitled "Plan of Lot FA, Ainsworth Road, Wilmington, Mass.,Scale 1"=100', January 29, 1981, Robert L. Higgins Town Engineer," a copy of which is on file in the office of the Town Engineer, also being land designated as Parcel 2 on Assessors' Map R1; and to determine how an appropriation shall be raised, whether by transfer from available funds, by borrowing, or otherwise, said funds to be provided from Water Department available surplus funds notwithstanding any provision or limitation of use of available funds as found in MGL Chapter 276 of 1926; or do anything in relation thereto.

(Water & Sewer Commission)

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main of not less than six (6) inches but less than sixteen (16) inches in diameter for a certain distance in Main Street as shown on a plan on file in the office of the Town Engineer, in accordance with the recommendations of the Board of Water & Sewer Commissioners acting under the provisions of General Laws, Chapter 40, Section 42G through to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise; or do anything in relation thereto.

(Water & Sewer Commission)

ARTICLE 17. To see if the Town will vote to discontinue as a Town way the 1946 Layout of Phillips Avenue, and to accept as a Town way the 1981 Layout of Phillips Avenue as prepared by Robert L. Higgins, Town Engineer as recommended by the Planning Board and approved by the Selectmen under the provisions of General Laws (Chapter 82, as amended, relating to the Laying Out, Alteration, Relocation and Discontinuance of Public Ways and specific repairs thereon) which discontinuance and layout is filed in the office of the Town Clerk, and which with plans therein are hereby referred to for a more particular description; and to authorize the Board of Selectmen to take by right of Eminent Domain such land, slope and drainage or other easements as may be necessary to effect the purpose of this Article, and to determine how an appropriation shall be raised, whether by taxation or by transfer from available funds, by borrowing, or otherwise, for the purpose of construction of said way and for the payment of any damages resulting from the taking of land and slope easements and other easements therefor; or do anything in relation thereto.

Motion by Rocco V. DePasquale, "I move that the Town vote to postpone consideration of Articles 5, 6, 7, 8, 9, 10 and 17 and to act upon these articles at an adjourned meeting to be held at the High School Gymnasium Saturday, the 13th day of June, 1981 at 1:30 p.m." Motion seconded and so voted.

ARTICLE 11. To see if the Town will vote to authorize the Board of Selectmen or the Town Manager to apply for accept, and enter into contracts from time to time for the expenditure of any funds, without further appropriations, alloted to Wilmington by the U.S. Federal Government under any federal grant program; and do anything in relation thereto.

Motion by Daniel H. Ballou, Jr., "I move that the Town vote to authorize the Board of Selectmen or the Town Manager to apply for, accept, and enter into contracts from time to time for the expenditure of any funds without further appropriation allotted to Wilmington by the U.S. Federal Grant Program." Motion seconded and so voted.

ARTICLE 12. To see if the Town will vote to advise the Great and General Court not to appropriate for Fiscal Year 1982 more than it did for Fiscal Year 1981 for expenditures by the Commonwealth's departments and agencies. Further, that the savings of approximately $350,000,000 from the above cuts be redistributed to the cities and towns in the form of increased local aid; or do anything in relation thereto.

Motion by Sterling C. Morris, "I move that the Town vote to advise the Great and General Court not to appropriate for the Fiscal Year 1982 more than it did for Fiscal Year 1981 for expenditures by the Commonwealth's departments and agencies, further that the savings of approximately $350,000,000 from the above cuts be redistributed to the cities and towns in the form of increased local aid." Motion seconded and so voted.

ADJOURNED ANNUAL TOWN MEETING (continued)

ARTICLE 13. To see if the Town will vote to authorize the Board of Selectmen to sell or lease the following unused Town-owned Buildings:

Buzzell School	Swain School
Little West School	Walker School
Mildred Rogers School	Old Library Building
Old Center School	Harnden Tavern
Old South School	

subject to such terms and conditions as the Selectmen may determine, and further to set the minimum amount to be paid; or do anything in relation thereto.

Motion #1 by Robert J. Cain, "I move that the Town vote to authorize the Board of Selectmen to sell or lease for one dollar ($1.00) the unused Town-owned building known as the Buzzell School, and a small parcel of land, to the Wilmington Housing Authority for the purpose of converting this property into housing for the elderly, provided that the Wilmington Housing Authority obtain suitable grants from state and/or federal agencies, pending the release of said building by the School Dept." Motion seconded and voted, unanimously.
Motion #2 by Robert J. Cain, "I move that the Town vote to pass over the sale or lease of all of the listed town-owned buildings except the Buzzell School. Motion seconded and so voted. Finance Committee recommended disapproval.

ARTICLE 14. To see if the Town will vote to amend "The Revised By-Laws of the Inhabitants of the Town of Wilmington" by adding to Chapter 3, the following Section 26:

Section 26: The Selectmen and the Town Clerk shall adopt and set such fees of the Town Clerk as they shall deem reasonable and appropriate. These fees shall take effect upon the posting at the office of the Town Clerk and publication once in a newspaper of local circulation of the fee schedule (Pursuant to G.L. Chapter 262, Section 34). or do anything in relation thereto. Finance Committee recommends approval.

Motion by Aldo Caira, "I move that the Town vote to amend "The Revised By-Laws of the Inhabitants of the Town Wilmington" by adding to Chapter 3, the following 26:

Section 26: The Selectmen and the Town Clerk shall adopt and set such fees of the Town Clerk as they shall deem reasonable and appropriate. These fees shall take effect upon the posting at the office of the Town Clerk and publication once in a newspaper of local circulation of the fee schedule (Pursuant to G.L. Chapter 262, Section 34). Motion seconded and so voted, unanimously.

ARTICLE 15. To see if the Town will vote to accept the provisions of Chapter 44, Section 53D of the Massachusetts General Laws as amended; or do anything in relation thereto.

Section 53D. Recreation and Park Self Supporting Service Revolving Funds: Creation: Authorized Use of Funds: Annual Report: Revocation of Provisions.

Notwithstanding the provisions of section fifty-three, any city or town which accepts the provisions of this section may establish in the Town Treasury a revolving fund which shall be kept separate and apart from all other monies by the Treasurer and in which shall be deposited the receipts received in connection with the conduct of self-supporting recreation and park services of said City or Town. The principal and interest thereon shall be expended at the direction of the authority, commission, board or official of such City or Town with said responsibility without further appropriation, but only with the written approval of the mayor in cities, or city manager in Plan E cities, or the selectmen in towns, or in towns which have adopted the town manager form of government the town manager and only for the purpose of operating self-supporting recreation and park services. The city auditor or town accountant shall submit annually a report of said revolving fund to the mayor, city council, city manager, board of selectmen or town manager for their review and a copy of said report shall be submitted to the director of the bureau of accounts; provided that funds in said revolving fund shall not be used to employ or pay the salary of any employee or for the purchase of equipment; provided further that said revolving fund shall not exceed the sum of five thousand dollars and any amount in excess of five thousand dollars shall be paid into the City or Town Treasury as provided in section fifty-three.

A city or town which has accepted the provisions of this section may, in like manner, revoke its acceptance.

Motion by A. John Imbimbo, "I move to pass over this article." Motion seconded and so voted.

ARTICLE 16. To see if the Town will vote to authorize the Selectmen under the authority of Massachusetts General Laws, Chapter 40, Section 3A(Chapter 160 of the Acts of 1973), to abandon the Town's right, title, and interest in all or any part of the following easements, and authorize the Selectmen to convey to the

Wilmington Redevelopment Authority or its successors in title, the Town's interest in the hereinafter mentioned parcels upon such terms and conditions as the Selectmen shall deem appropriate and to set the minimum amount required for said conveyance:

Parcel One: A 30' Utility Easement described in an instrument entitled "Grant of Easement" dated February 28, 1977, and recorded with the Middlesex North District Registry of Deeds in Book 2266, Page 151 bound and described as follows:

NORTHERLY by Jewel Drive on a curved line measuring fifty-five and 9/100 (55.09) feet;
EASTERLY by Lot 9, as shown on said plan, in 2 courses totalling two hundred seventy-one and 54/100 (271.54) feet;
SOUTHERLY by land now or formerly of the Wilmington Redevelopment Authority, as shown on said plan, in 2 courses totalling four hundred sixty-four and 25/100 (464.25) feet;
WESTERLY by Cook Avenue, thirty and 56/100 (30.56) feet;
NORTHERLY by Lot 10, as shown on said plan, in 2 courses totalling four hundred thirty-four and 9/100 (434.09) feet; and
WESTERLY by Lot 10, as shown on said plan, in a curved line measuring two hundred fifty-four and 1/100 (254.01) feet; all as shown as Parcel A on a plan entitled "Plan of Easements to be Abandoned, Jewel Industrial Park, Wilmington, Mass., Scale 1"=100', July 11, 1980, K.J. Miller Co.,Inc., Civil Engineers & Land Surveyors, 106 West Street, Wilmington, Mass." Said parcel contains 21,360 square feet of land, more or less, according to said plan.

Parcel Two: A 30' Drain and Utility Easement described in an instrument entitled "Conveyance of Easements and Utilities" dated June 10, 1976, and recorded with the Middlesex North District Registry of Deeds in Book 2266, Page 129, at page 131, bound and described as follows:

WESTERLY by Jewel Drive, thirty and 97/100 (30.97) feet;
NORTHERLY by Lot 8A, as shown on said plan, two hundred eighteen and 39/100 (218.39) feet;
EASTERLY by land shown on said plan as 30' Drain and Rail Easement, thirty and 00/100 (30.00) feet; and
SOUTHERLY by Lot 9, as shown on said plan, two hundred twenty-five and 03/100 (225.03) feet;
all as shown as Parcel B on a plan entitled "Plan of Easements to be Abandoned, Jewel Industrial Park, Wilmington, Mass., Scale 1"=100'. July 11, 1980, K.J. Miller Co., Inc., Civil Engineers & Land Surveyors, 106 West Street, Wilmington, Mass." Said parcel contains 6,648 square feet of land, more or less, according to said plan.

Parcel Three: A certain parcel of land being the Easterly portion of the Jewel Drive cul-de-sac, described in an instrument entitled "Grant of Easement" dated July 11, 1977, and recorded with the Middlesex North District Registry of Deeds in Book 2266, Page 136 bound and described as follows:

WESTERLY by a line being the easterly bound of Jewel Drive in 2 courses totalling two hundred six and 31/100 (206.31) feet; and
NORTHEASTERLY, EASTERLY AND SOUTHEASTERLY by Lot 8A, 30' Drain and Utility Easement and Lot 9, as shown on said plan, in two curved courses measuring two hundred eighty-nine and 10/100 (289.10) feet;
all shown as Parcel C on a plan entitled "Plan of Easements to be Abandoned, Jewel Industrial Park, Wilmington, Mass., Scale 1"=100', July 11, 1980, K.J.Miller Co., Inc., Civil Engineers & Land Surveyors, 106 West Street, Wilmington, Mass." Said parcel contains 10,167 square feet of land, more or less, according to said plan.

Parcel Four: A 30' Drain and Utility Easement discribed in an instrument entitled "Conveyance of Easements and Utilities" dated June 10, 1976, and recorded with Middlesex North District Registry of Deed in Book 2266, Page 129 at page 131, and in an instrument dated January 11, 1977 and recorded with the Middlesex North District Registry of Deeds in Book 2266, Page 140, bound and described as follows:

EASTERLY by Jewel Drive, thirty and 00/100 (30.00) feet;
SOUTHERLY by Lot 10 as shown on said plan, three hundred twenty-seven and 07/100 (327.07) feet;
WESTERLY by land now or formerly of Spellenburg and Williams thirty and 00/100 (30.00) feet; and
NORTHERLY by land now or formerly of Altron, Incorporated, three hundred twenty-seven and 17/100 (327.17) feet; all as shown as Parcel D on a plan entitled "Plan of Easements to be Abandoned, Jewel Industrial Park, Wilmington, Mass., Scale 1"=100', July 11, 1980, K.J. Miller Co.,Inc. Civil Engineers & Land Surveyors 106 West Street, Wilmington, Mass." Said parcel contains 9,814 square feet of land, more or less, according to said plan; or do anything in relation thereto. Finance Committee recommends approval.

Motion by John DeRoy of the Planning Board, "I move that the Town abandon the Town right, title and interest in the Utility easement on Jewel Drive as described in the main motion, with the price set for conveyance to be $1.00." Motion seconded and so voted, unanimously.

Article by Planning Board.

ADJORNED ANNUAL TOWN MEETING (continued)

ARTICLE 18. To see if the Town will vote to authorize the Selectmen to sell and convey to Jackson Brothers, Inc., a certain parcel of Town-owned land shown as Parcel 43 on Assessors' Map 69, bound and described as follows:

Westerly by Faulkner Avenue (Faulkner Rd.)	50 feet
Northerly by Lot 755	100 feet
Easterly by Lot 752	50 feet
Southerly by Brookline Avenue	100 feet

being Lots 753 & 754 containing 5,000 square feet, all as shown on L.C. 6036, reserving unto themselves and the Town of Wilmington for roadway and roadway sloping purposes the following described area:

Westerly by Faulkner Avenue (Faulkner Rd.)	50 feet
Northerly by Lot 755	5 feet
Easterly through Lots 753 & 754	45 feet
Northerly through Lot 753	95 feet
Easterly by Lot 752	5 feet
Southerly by Brookline Avenue	100 feet

containing 725 square feet substantially as shown on L.C. 6036, subject to such terms and conditions as the Selectmen may determine, and further to set the minimum amount to be paid for such conveyance; or do anything in relation thereto. (Article by Petition) Finance Committee recommends tabling pending advice of property value.

Motion by Rocco V. DePasquale, "I move that the Town vote to authorize the Selectmen to sell and convey to Jackson Borthers, Inc. a certain parcel of Town-owned land as shown on Assessors' Map 69, Parcel 43 bound and described in the main motion for the sum set by the Selectmen of $4,800. minimum. Motion seconded and so voted, unanimously.

ARTICLE 19. To see if the Town will vote to authorize State Representative James R. Miceli to petition the State Legislature to adopt recall rights of elected officials in the Town of Wilmington, as voted by the people re: Warrant Article Number 1, Special Town Meeting, December 8, 1980; thereby making it clear to all parties that this was the intent of that town meeting vote; or do anything in relation thereto. (Article by Petition) Finance Committee recommends disapproval.

Motion by Sterling C. Morris, "I move that the Town vote to authorize the Board of Selectmen to petition the State Legislature to enact special legislation pertaining to the Town of Wilmington amending Chapter 592 of the Acts of 1950, An Act Establishing a Town Manager Form of Government, by inserting the following language under Section 3:

1. RECALL OF ELECTED OFFICERS

(a) Application - Any person who holds an elected town office with more than six months remaining of the term of office may be recalled from the office by the voters in the manner provided in this section.

(b) Recall Petitions - One hundred and fifty or more voters may file with the town clerk an affidavit containing the name of the officer whose recall is sought and a statement of the grounds upon which the petition is based. The signatures on such petition shall contain the names of at least ten voters in each of the precincts into which the town is divided for the purpose of electing town officers. If the said petition is found to be valid the town clerk shall thereupon deliver to the ten persons first named on such petitions, petition blanks demanding said recall, printed forms of which he shall keep available. The blanks may be completed by printing or typewriting; they shall be addressed to the Board of Selectmen; they shall contain the names of the ten persons to whom they are issued and the grounds for recall as stated in the affidavit; they shall demand the election of a successor to the office; they shall be dated and signed by the town clerk. The recall petition shall be returned to the office of the town clerk within twenty days following the date they are issued, signed by at least ten percent of the total number of persons registered to vote as of the date of the most recent town election.

The Town Clerk shall, within twenty-four hours following such filing with him, submit the petitions to the board of Registrars of voters which shall within five days thereafter, certify thereon the number of signatures which are names of voters.

(c) Recall Elections - If the petitions shall be certified by the registrars of voters to be sufficient, the town clerk shall forthwith submit the same with his certificate to the Board of Selectmen. Upon its receipt of the certified petition the Board of Selectmen shall forthwith give notice, in writing, of said petition to the officer whose recall is sought. If said officer does not resign his office within five days following delivery of the said notice, the Board of Selectmen shall order a special election to be held not less than thirty-five nor more than sixty days after the date of the

certification of the town clerk that the petition is sufficient. If a vacancy occurs in the office after a recall election has been ordered, the election shall nevertheless proceed as provided in this section, but only the ballots for condidates need be counted.

(d) Nomination of Candidates - The nomination of (other) candidates, the publication of the warrant for the recall election and the conduct of the recall election shall be in accordance with the charter and general laws regulating elections.

(e) Propositions on the Ballot - Ballots used at the recall election shall state the proposition in the order indicated:

For the recall of
(name of Officer)

Against the recall of
(name of officer)

Adjacent to each proposition shall be a place to vote for either of said proposition. After the said proposition shall appear the word 'candidates' and the names of the candidates arranged as determined by a drawing by lot conducted by the town clerk which shall be open to the public, unless another arrangement is required by a general law. If a majority of the votes cast on the proposition is against the recall the votes for candidates need not be counted. If a majority of the votes cast is in favor of the recall the votes for candidates shall be counted and the candidates receiving the highest number of votes shall be declared elected.

(f) Officeholder - The incumbent shall continue to hold his office and to perform his dueties until the recall election. If he is not then recalled he shall continue in office for the remainder of his unexpired term, subject to recall as provided in section (g) below.

If the officer is recalled he shall be deemed removed upon the certification of the election results. The condidate who receives the highest number of votes shall serve for the balance of the unexpired term.

(g) Request of Recall Petition - No recall shall be filed against an officer within six months after he takes office, or in the case of an officer subjected to recall and not recalled thereby, until at least six months after the election at which his recall was submitted to the voters.

2. This act shall be submitted for acceptance to the voters of the town of Wilmington at the next annual town meeting or a special town meeting, whichever occurs first, in the form of the following question which shall be placed before such meeting:

"Shall an act passed by the General Court in the year nineteen hundred and eighty-one entitled 'An Act providing for removal elections in the town of Wilmington', be accepted?" If a majority of the votes cast in answer to said question is in the affirmative this act shall take effect, but not otherwise. Motion seconded. After much discussion and the explanation of procedure by Town Counsel, Alan Altman the vote was taken requiring a 2/3rds vote to pass. Yes 210 No 34. Motion so voted.

ARTICLE 20. To see if the Town will vote to accept Section 50A of Chapter 147 of the Massachusetts General Laws to permit Courses of Instruction in Boxing, etc.; or do anything in relation thereto. Article by petition. Finance Committee recommends approval.

Motion by Robert J. Cain, "I move that the town pass over this article and take no action thereon. Motion seconded and so voted.

ARTICLE 21. To see if the Town will vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Single-Residence-A District to High Density Traffic Business District, the following described parcel of land to wit:

A certain parcel of land located in Wilmington, Mass., Middlesex County, with a building thereon situated on the Westerly side of Main Street as shown as Lot A on Plan entitled "Plan of Land in Wilmington, Mass., Marion T. Murphy, Scale: 1" = 40', December 22, 1970 Charles H. Moloy - Woburn, Mass., Registered Land Surveyor," recorded with the Middlesex North District Registry of Deeds in Plan Book 120, Plan I, bound and discribed as follows:

EASTERLY by Main Street, as shown on said plan, 100.00 feet;
SOUTHERLY by an unnumbered Lot; as shown on said Plan, 90 feet or less;
WESTERLY: by Old Main Street, as shown on said Plan, 100 feet;
NORTHERLY by Lot B, as shown on said Plan, 120 feet more or less; containing 10,500 square feet more or less;

also being shown as Map 12, Parcel 1 on the Town Assessors' Maps; or do anything in relation thereto.

ARTICLE 21 (continued)

Article by petition. Finance Committee recommends disapproval. Motion by Larz Neilson, "I move to amend Article 21 to rezone from single family Risidence A to General Business, the same lot as described in the motion as proposed. However, as the petitioner was not present this was taken as the main motion and so seconded. With very little discussion the vote was taken with results being Yes 1 No 215. Motion lost.

ARTICLE 22. To see if the Town of Wilmington will vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Single Residence A District to General Business District the following described area bound:

WESTERLY by the 1978 layout of West Street 53.16 feet, 63.06 feet, 97.12 feet, 10.00 feet and by the 1969 layout of West Street 190 ± feet, 90± and 25± feet.

SOUTHERLY by the existing Industrial District, 420± feet.

EASTERLY, NORTHEASTERLY, AND NORTHERLY by Route 93, 240± feet, 180.28 feet, 387.81 feet and 18.53 feet; or do anything in relation thereto.

Article by petition. Finance Committee recommends disapproval. Planning Board recommends approval.

Motion by Albert Fiorenza, "I move that the Town of Wilmington amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Single Resident A to General Business District the following described area bound", the remainder of the motion follows the above article to the letter. The motion was seconded and after much discussion the vote was taken. 2/3rds vote required for this article. Yes 115 No 111 Motion lost.

ARTICLE 23. To see if the Town will vote to amend the Zoning By-Law of the Town of Wilmington by adding a new section to the Wilmington Zoning By-Law as follows:

III-7 USES IN PLANNED RESIDENTIAL DEVELOPMENT-PRD DISTRICTS

A. GENERAL OBJECTIVES

The PRD district is intended to allow greater flexibility in land use planning for the development of tracts of land in terms of preservation of open spaces, enhancement of natural features and provision of a variety of housing types and styles; to ensure that overall development plans will be presented to ensure that overall development plans will be presented to the Town Meeting in connection with any proposal to rezone a tract of land to PRD District; and to enable the Planning Board to require adherence to such overall development plans in the granting of a special permit which shall control all aspects of the proposed PRD as hereinafter described.

B. TOWN MEETING PRESENTATION

Every proposal presented to Town Meeting for rezoning land to a PRD District shall include an overall development plan which shall show in a general manner, drawn to scale, existing natural features including the limits of the Flood Plain District and Wetlands as determined and regulated in accordance with G.L.c.131 Sec.40, "The Wetlands Protection Act," the proposed locations, types and floor plans for proposed buildings and other structures, proposed location of streets, drives, parking areas and other paved areas, the proposed grading of the site and the proposed open space. A copy of the overall development plan, which shall be deemed to include any literature and comments, authorized by the developer which will be or has been presented to Town Meeting shall be filed with the Town Clerk together with the Article to rezone the subject site to PRD District.

C. PRD STANDARDS

1. Minimum Tract Size - a PRD shall be permitted upon a single tract, in one ownership with definitive boundaries ascertainable from a record deed and recorded plan or new survey plan if required by the Planning Board, which has an area of not less than 15 acres. Existing public and private ways need not constitute boundaries of the tract but area within any such way shall not be counted in determining compliance with PRD standards.

2. Permissible Density - The number of dwelling units permitted within any PRD shall not exceed three and one half units per acre exclusive of land situated in the Flood Plain District and exclusive of Wetlands as defined in G.L.c. 131 Sec. 40, "The Wetlands Protection Act."

3. Permitted Uses - There shall be permitted in a PRD:

ARTICLE 23 (continued)

a. Single-family detached and attached, and multi-unit structures of all types without regard to dwelling unit configuration or form of ownership.

b. Accessory uses incidental to the principal residential uses indicated above.

4. Lot Area, Frontage and Yard Requirements - There shall be no miniumum lot area, frontage or yard requirements within a PRD. However no building shall be erected within 50 feet of any public way or boundary line of the overall PRD tract or within 50 feet of any private way when it is determined bv the Planning Board to be necessary.

5. Height - No building shall be more than two and one-half stories or 38 feet in height.

6. Water and Sewer - The PRD shall be serviced by municipal water and municipal sewer.

7. Design and Construction Requirements - To the degree determined applicable by the Planning Board all design and construction requirements shall comply with "Rules and Regulations Governing the Subdivision of Land in the Town of Wilmington." All private roads, driveways, parking areas and other PRD facilities shall be fully maintained and operated by all of the owners of the units.

8. Area of Residential Development - The area developed for residential uses, including buildings, parking and other areas paved for vehicular use, shall not exceed 30% of the total area of the PRD tract. Foot and bicycle paths and recreation facilities, including buildings wholly devoted to recreation, shall not be counted in calculating the 30% limitation.

9. Common Open Space

a. All land within the PRD tract which is not covered by buildings, roads, driveways, parking areas or which is not set aside as private yards, patios or gardens for the residents, shall be Common Open Space shall equal at least 40% of the total area of the tract. Such land shall have a shape dimension, character and location suitable to assure its use for park, recreation, conservation or agricultural purposes by at least all the residents of the PRD.

A minimum of 25% of the non-Flood Plain or non-Wetlands area of the tract shall be included in the required Common Open Space. Each parcel of Common Open Space shall have adequate access for all the residents of the PRD and no structure s'hall beconstructed thereon in excess of 20 feet in height nor shall the maximum lot coverage including paved areas exceed 10% without Planning Board approval.

b. Provisions shall be made so that the Common Open Space and other common property shall be owned in common by the owners of all units in the PRD, or by a corporation, non-profit organization or trust whose members are all the owners of the units. In all cases, a perpetual restriction of the type described in G.L.c. 184 Sec. 31 running to and enforceable by the Town shall be recorded in respect to the Common Open Space. Such restriction shall provide that the Common Open Space shall be retained in perpetuity for one or more of the following uses: conservation, open space, agriculture, recreation or park. Such restriction shall be in such form and substance as the Planning Board may prescribe and deem appropriate.

c. In order to ensure that the corporation, non-profit organization or trust will properly maintain the Common Open Space and other common property and instrument(s) shall be recorded at the Middlesex North District Registry of Deeds which shall as a minimum provide:

(1) A legal description of the Common Open Space.
(2) A statement of the purposed for which the Common Open Space is intended to be used and the restrictions on its use and alienation.
(3) The type and name of the corporation, non-profit organization, or trust which will own, manage and maintain the Common Open Space.
(4) The ownership or beneficial interest in the corporation, non-profit organization or trust of each owner of a dwelling in the PRD development and a provision that such ownership or beneficial interest shall be appurtenant to the dwelling to which it relates and may not be conveyed or encumbered separately therefrom.
(5) Provisions for the number, term of office, and the manner of election to office, removal from office and the filling of vacancies in the office of directors and/or officers of the corporation or non-profit

(6) Procedures for the conduct of the affairs and business of the corporation, non-profit organization or trust including provision for the calling and holding of meetings of members and directors and/or officers of the corporation or non-profit organization or beneficiaries and trustees of the trust and provision for quorum and voting requirements for action to be taken. Each owner of a dwelling shall have voting rights proportional to his ownership or beneficial interest in the corporation, non-profit organization or trust.
(7) Provision for the management, maintenance, operation, improvement and repair of the Common Open Space and facilities thereon, including provisions for obtaining and maintaining adequate insurance and levying and collecting from the dwelling owners common charges to pay for expenses associated with the Common Open Space, including real estate taxes. It shall be provided that common charges are to be allocated among the dwelling owners in proportion to their ownership or beneficial interests in the corporation, non-profit organization or trust, and that ech dwelling owners's share of the common charge shall be a lien against his real estate in the PRD, which shall have priority over all other liens with the exception of municipal liens and first mortgages of record, and
(8) The method by which such instrument or instruments may be amended.

10. Limitation of Subdivision - No lot shown on a plan for which a PRD permit is granted may be further subdivided, and a notation to this effect shall be placed on the plan of record which shall be recorded with the special permit.
11. Special Provisions for the Wilmington Housing Authority - Except as provided in Subsection 4. Lot Area, Frontage and Yard Requirements, Subsection 5. Height, Subsection 6. Water and Sewer and Subsection 7. Design and Construction Requirements, the limitations contained in Section C. PRD Standards shall not apply to a PRD which will be owned by the Wilmington Housing Authority, provided that upon Town Meeting approval of the rezoning the Planning Board finds that the proposed design is generally consistent with the purposes and objectives of this By-Law.

D. PROCEDURE FOR REZONING AND APPROVAL
1. Town Meeting Submission and Rezoning

a. Any person who submits a Warrant Article to rezone land to a PRD District shall comply with the provisions of Section B. Town Meeting Presentation and shall meet with the Planning Board and file eight sets of an overall development plan and supporting documents which shall be prepared by an interdisciplinary development team comprised of a Registered Professional Engineer, Registered Land Surveyor, Architect and Landscape Architect or similar professionals approved in writing by the Planning Board.

b. The Planning Board shall, within ten days of receipt of a submission hereunder, refer the application to the Board of Health, Conservation Commission, Water and Sewer Commission, Police and Fire Departments, Town Engineer and Building Inspector for written reports and preliminary recommendations which shall be returned within 35 days.

c. Based upon this initial review the Planning Board may request such additional information as the Planning Board may determine is reasonably necessary for Town Meeting consideration. It is recommended that the applicant continue to meet with the Planning Board to review the overall development plan and identify appropriate revisions and amendments to the overall submission.

d. Prior to the Town Meeting vote any person who submits a Warrant Article to rezone land to a PRD District shall: (1) submit to the Conservation Commission in accordance with G.L.c. 131 Sec. 40, "The Wetlands Protection Act" a request for a determination of applicablity or a notice of intent; and (2) file with the Town Clerk either a determination by the Conservation Commission that a notice of intent is not required or an order of conditions issued pursuant to G.L.c.131 Sec 40 "The Wetlands Protection Act" for the proposed PRD.

e. Planning Board Town Meeting Report - The Planning Board shall report to Town Meeting: (1) if it finds that the PRD is in harmony with the general objectives and intent of the PRD Section: (2) that the PRD contains a mix of residential, open spaces and other uses in a variety of buildings to be sufficiently advantageous to the Town to render it appropriate to depart from the requirements of this By-Law applicable to the District(s) in which the PRD tract is located: and (3) if sufficient data to give reasonable assurance that the development will conform to all the PRD provisions is included in the applicant's presentation to Town Meeting.

ARTICLE 23 (continued)

2. Procedure for Special Permit.

a. After approval by Town Meeting of a PRD District, any person who desires a special permit to construct the PRD shall submit an application and eight copies of all plans in such form as the Planning Board may require which shall include the following:

(1) A Development Statement containing a petition, a list of parties in interest with respect to the PRD tract, a list of the development team, an overall evaluation of existing site features and a statement on the development team, an overall evaluation of existing site features and a statement on the development concept including in tabular and plan form the size of the tract, the area of wetlands and flood plain, the number of units, type, size (number of bedrooms, floor area), ground coverage and area of residential development and common open space and a development schedule for all site improvements.

(2) Copies of the proposed instruments to be recorded with the plans including the Common Open Space perpetual restriction, the deed and the membership corporation, non-profit organization or trust instrument.

(3) Development plans bearing the seal of a Registered Professional Engineer, Registered Land Surveyor, Architect, Landscape Architect or similar professional as appropriate and consisting of:

*Site Plan and specifications showing all site improvements and meeting, to the extent applicable, the requirements set forth for a Definitive Plan in the Subdivision Rules and Regulations of the Planning Board;

*Site perspective, sections, elevation 1/8 inch equals 1 foot, and typical floor plans ¼ inch equals one foot;

*Detail plans for disposal of sanitary sewage, solid waste and surface drainage; and

*Detailed plans for landscaping.

b. The Planning Board shall within ten days of receipt of an application hereunder, refer the application to the Board of Health, Conservation Commission, Water and Sewer Commission, Police and Fire Departments, Town Engineer and Building Inspector for written reports and recommendations and no decision shall be made until such reports are returned or 35 days have elapsed following such referral without receipt of such reports.

c. Planning Board Decisions - A special permit which shall control all aspects of the proposed PRD shall be issued only if the Planning Board finds that the plans submitted to it for a special permit conform substantially to the overall development plan presented to Town Meeting and that the PRD is in harmony with the objectives and intent of this PRD section. If a special permit is granted, the Planning Board may impose as a condition thereof that the installation of municipal services and construction of ways within the PRD shall comply with the requirements of the Subdivision Rules and Regulations of the Planning Board, may require sufficient security to ensure such compliance and the completion of planned recreation facilities and site amenities, and may impose such additional safeguards as public safety, welfare and convenience may require.

and by amending the Wilmington Zoning By-Law in the following manner:

(1) By deleting in Section 1-2.A the words:

"A. For the purpose of this By-Law, the Town of Wilmington is hereby divided into the following districts:

1.	Rural Districts	(R)
2.	Single-Residence-A Districts	(SRA)
3.	Single-Residence-B Districts	(SRB)
4.	Neighborhood Business District	(NB)
5.	General Business Districts	(GB)
6.	Industrial Districts	(IND)
7.	High Density Traffice Business Districts	(HDTB)

ARTICLE 23 (continued)

8. Flood Plain Districts (W)

and substituting in place thereof the words:

"A.For the purpose of this By-Law, the Town of Wilmington is hereby divided into the following Districts:

1.	Rural Districts	(R)
2.	Single-Residence-A Districts	(SRA)
3.	Single-Residence-B Districts	(SRB)
4.	Planned Residential Development Districts	(PRD)
5.	Neighborhood Business Districts	(NB)
6.	General Business Districts	(GB)
7.	Industrial Districts	(IND)
8.	High Density Traffic Business Districts	(HDTB)
9.	Flood Plain Districts	(W)"

(2) By adding in Section II a new Section 18 as follows:

"18. PLANNING BOARD. The Town of Wilmington Planning Board which for purposes of Chapter 40A shall be deemed the Special Permit Granting Authority on petitions for Planned Residential Development as set forth in Section III-7."

(3) By adding in Section IV-3A a new Section 12 as follows:

"12. For a Planned Residential Development, two (2) spaces per dwelling unit, except in the case of Housing for the Elderly one (1) space per dwelling unit."

(4) By adding in Section IV-3E, after the words, "parking spaces" in the second line, the words, "except when such spaces are located in a Planned Residential Development," so that the amended provision would read as follows:

"...a site plan for three or more parking spaces, except when such spaces are located in a Planned Residential Development, shall be submitted to the Town Engineer,..."

(5) By deleting in Section IV-4 after the words "a Single-Residence-A" in the sixth line, the words "or Single-Residence-B District" and substituting in place thereof the words, "Single-Residence-B District or Planned Residential Development District." so that the amended provisionwould read as follows:

"...a Single-Residence-A District, a Single-Residence-B District or Planned Residential Development District."

(6) By deleting in Section V-1 after the words "SCHEDULE OF REQUIREMENTS" the words "In any District" and substituting in place thereof the words "In the following Districts" so that the amended provision would read as follows:

"In the following Districts, no use of premises shall be authorized..."

(7) By adding in Section VII-2B after the words "May be authorized by" in the fifteenth line, the words "The Planning Board for uses under Section III-7 and by" so that the amended provision would read as follows:

"Application" for a Special Permit which may be authorized by the Planning Board for uses under Section III-7 and by the Board of Appeals for uses under Section 111-1B..."
or do anything in relation thereto.

Article by petition. Finance Committee recommends approval. Planning Board recommends approval.

ARTICLE 23. (continued)

Motion by Paul K. Butt, "I move tha the town vote to amend the Zoning By-Law of the Town of Wilmington by adding a new section to the Wilmington Zoning By-Law as follows:

SECTION III-7 USES IN PLANNED RESIDENTIAL DEVELOPMENT-PRD DISTRICTS, the motion being the same as the article the Moderator directed Mr. Butt to dispense with further reading of the motion. The motion was seconded.

A motion was then made by Madelyn McKie to amend Article 23 -PRD. "I move to amend Article 23 as follows:

(1) Amend "A.General Objectives" by adding at the end of the section the following:
"the objectives of the PRD District shall conform to the purposes of the Wilmington Zoning By-law and Chapter 40A as amended by Chapter 808 of the Acts of 1975. No more than 10% of the dwelling units in any precinct shall be located ina PRD."

(2) Amend "C.PRD Standards section 3.a." to read:
"3.a. At least 50% detached single-family and 50% attached single-family and multi-unit structures of all types, except that no structure shall exceed 100 feet in length."

(3) Amend "C. PRD Standards section 3.b." to read:
"3.b. Accessory uses as listed in Section 111-I.A.9. of this by-law."

(4) Amend "D. Procedure for Rezoning and Approval section 1.e. (1) by adding after the words "PRD Section" the following:
"And the intent and purpose of this by-law and Ch. 40A as amended by Chapter 808 of the Acts of 1975"

(5) Amend "D. Procedure for Rezoning and Approval Section 2.c. as follows:
At the end of the first sentence add the words:
"and the intent and purpose of this by-law and of Ch.40A as amended by Ch.808 of the Acts of 1975"

(6) Amend line 5 of Section 2.c.P.B. decisions change the word "may" to "shall"

(7) Amend line 6 of Section 2.c. change the words "require sufficient security to ensure such compliance and the completion of planned recreation facilities and site amenities" to the following;
"require ten per cent (10%) of the total cost of the development to be bonded or otherwise secured and one hundred percent (100%) of the phase to be constructed to be bonded or otherwise secured"

(8) Amend line 7 of Section 2.c. add the following after the last sentence:
"Planning Board approval shall be contingent upon the posting of an annual maintenance bond."

Motion was seconded and the Moderator stated that each part would be taken separately. After Mrs. McKie gave an explanation for the first amendment, the body voted No, unanimously. She then asked if it would be of any sense to go on and was voted unanimously to dispense with any further amendments.

At this point the Moderator asked for a standing vote of 2/3rds on the original motion. The vote was Yes 113 No 77. Motion lost for want of 2/3rds vote.

ARTICLE 24. To see if the Town will vote to ratify the Solid Waste Disposal Agreement between the Board of Selectmen/Town Manager and the Northeast Solid Waste Committee for the use of a solid waste disposal facility a copy of which is on file in the Town Clerk's office, all in compliance with and as authorized by the vote of the annual town meeting held on March 11, 1978; or do anything in relation thereto. Finance Committee recommends approval.

Motion by Daniel Ballou, Jr. "I move that the town vote to ratify the Solid Waste Disposal agreement between the Board of Selectmen/Town Manager and the Northeast Solid Waste Committee for the use of a solid waste disposal facility, a copy of which is on file in the Town Clerk's office, all in compliance with and as authorized by the vote of the Annual Town Meeting held on March 11, 1978; or do anything in relation thereto. Motion was seconded and so voted, unanimously.

ARTICLE 24. (continued)

The Moderator asked for a motion to adjourn as the business of the meeting had been taken care of; This was interrupted by Al Fiorenza giving notice that in accordance with Section 18 of the Town By-Laws that he is moving for reconsideration at the June 13th continued Town Meeting of his Article 22. Notice was taken thereof. Following this motion Mr. Paul Butt gave notice that he also was going to ask for reconsideration at the June 13th continued session of the Annual Town Meeting on Article 23. Notice was taken thereof.

At this point Selectman Robert Cain made a motion, "I move that the Town vote to adjourn this meeting and to assemble again on Saturday, June 13, 1981 at 1:30 p.m. at the High School Gymnasium to consider Articles 5, 6, 7, 8, 9, 10 & 17. Motion was seconded unanimously and so voted.

At 4:17 p.m. the Moderator declared that with no further action to come before this section of the Annual Town Meeting he declared the meeting adjourned until June 13th at 1:30 p.m.

There were 313 voters and 12 non-voters in attendance at this Town Meeting.

WARRANT SPECIAL TOWN MEETING - MAY 18, 1981

TO: EITHER OF THE CONSTABLES OF THE TOWN OF WILMINGTON:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed by the Revised By-Laws of said town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the Barrows Auditorium in the High School, in said Town of Wilmington on Monday evening, the eighteenth day of May A.D. 1981 at 7:30 p.m., then and there to act on the following articles:

ARTICLE 1. To see if the Town will vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Single Residence A District to Industrial District, the following described parcel of land to wit.

Bound and described as follows;

Southerly by Butters Row	202.38 feet
Westerly by land of Bedell	180.00 feet
Southerly by said land	158.95 feet
Westerly by land of Lee Realty Trust	414.58 feet
Southerly by said land	610.± feet
Westerly by land of Bedell	1930.± feet
Northerly by land of Sughrue	200.00 feet
Westerly by said land	200.00 feet
Northerly by land of Trexler	83.91 feet
Easterly by land of Diamond Crystal Salt Co.	674.94 feet
Northerly by said land	456.± feet
Easterly by land of B.& M. R.R. Corporation	944.99 feet
621.01 feet, 280.00 feet &	635.90 feet

being part of parcel 11 on Assessors' Map 29. (Article by Petition)

ARTICLE 2. To see if the Town will vote to authorize the Selectmen to sell and convey to David S. Salera, 20 Shawsheen Avenue, Wilmington a certain parcel of Town owned land shown as parcel 28 on Assessors' Map 84 containing about 53,600 square feet, subject to such terms and conditions as the Selectmen may determine and further to set the minimum amount to be paid for such conveyance; or do anything in relation thereto. (Article by Petition)

Hereof fail not and make due return of the Warrant, or a certified copy thereof with your doings thereon to the Town Clerk as soon as may be and before said meeting. Given under our hands and seal of said Town this 27th day of April, A.D., One Thousand Nine Hundred and Eighty-One.

Board of Selectmen
s/Robert J.Cain
s/Rocco V. DePasquale
s/A. John Imbimbo
s/Aldo A. Caira
s/Daniel H. Ballou, Jr.

Special Town Meeting (continued)

On May 18, 1981 at 7:40 p.m. at the Barrows Auditorium, in the High School the Moderator declared that a quorum being present, the Special Town Meeting was called to order. The Moderator started reading the Warrant and was interrupted by Robert J. Cain with a motion to dispense with the reading of the Warrant and take each article by number. Motion was seconded and so voted.

ARTICLE 1. To see if the Town will vote to amend the Zoning By-Law and Zoning Map of the Town of Wilmington by voting to rezone from Single Residence A District to Industrial District, the following described parcel of land to wit.

Bound and described as follows;

Southerly by Butters Row	202.38 feet
Westerly by land of Bedell	180.00 feet
Southerly by said land	158.95 feet
Westerly by land of Lee Realty Trust	414.58 feet
Southerly by said land	610.± feet
Westerly by land of Bedell	1930.± feet
Northerly by land of Sughrue	200.00 feet
Westerly by said land	200.00 feet
Northerly by land of Trexler	83.91 feet
Easterly by land of Diamond Crystal Salt Co.	674.94 feet
Northerly by said land	456.± feet
Easterly by land of B. & M. R.R. Corporation	944.99 feet
621.01 feet, 280 feet &	635.90 feet

being part of parcel 11 on Assessors' Map 29. (Article by Petition)

Motion by John Cushing to read the same as above printed Article 1, and was so seconded.

Amendment #1. by Janet F. Diorio, "I move that said land to be rezoned Industrial on the conditions that Sweetheart Plastic purchase this land within one year as well as purchase access rights for a grade crossing onto Route 38. If Sweetheart Plastics cannot purchase access rights and a grade crossing or if they decide not to purchase this land, that said land be rezoned back to residential immediately. This motion was made and seconded. A standing vote was taken after much discussion. Yes 52 No 207. Amendment lost.

Amendment #2. by Janet F. Diorio, I move that said land be rezoned Industrial only if access rights and grade crossing onto Route 38 are obtained. Motion seconded. A voice vote was taken and the amendment [illegible]

Finance Committee recommends approval of Article 1 and also Planning Board recommends approval. A 2/3's vote being required a vote was taken after much discussion. Motion so voted. Yes 223 No 48. So voted.

ARTICLE 2. To see if the Town will vote to authorize the Selectmen to sell and convey to David S. Salera, 20 Shawsheen Avenue, Wilmington a certain parcel of Town owned land shown as parcel 28 on Assessors' Map [illegible] containing about 53,600 square feet, subject to such terms and conditions as the Selectmen may determine further to set the minimum amount to be paid for such conveyance; or do anything in relation thereto.

Motion by David S. Salera read the same as the main article with the amount of $18,000 added to be paid for such conveyance. Motion was seconded and standing vote was taken Yes 224 No 2. Motion so voted.

All articles having been acted upon the motion to adjourn was made and seconded and so voted. The Moderator declared the meeting adjourned at 8:53 p.m.

There were 284 voters and 17 non-voters in attendance.

Priscilla R. W. Lynch
Town Clerk
Wilmington, Massachusetts

Attest:

ADJOURNED ANNUAL TOWN MEETING - JUNE 13, 1981
WITH ACTION TAKEN THEREON

This adjourned meeting was properly posted in six precincts June 3, 1981 by Constable Arthur V. Lynch, Jr. in accordance with Chapter 2, Section 6 of the Inhabitant By-Laws of the Town of Wilmington. This notice was also published in the Town Crier June 3rd and June 10th, 1981.

The Moderator announced that a quorum was present at 1:45 p.m. and announced that Rep.James Miceli had a questionaire in the hallway and would appreciate all attending to fill it out. At 1:55 p.m. the meeting was called to order and the Moderator asked the people to stand for a prayer asking for guidance in all decisions to come before us.

As above, the Moderator announced that this meeting had been properly published and posted. Before taking the budget the Moderator announced that he would not accept any proposals to reconsider any articles until the total budget had been voted so that in the end the total amount could be adjusted fairly if need be to come within the total levy limit.

James Miceli explained the State Budget and Walter Kaminski explained the 2½ budget or Chapter 580 which is 2½. Alan Altman explained the levy limit and read passages from a letter received from the Bureau of Accounts.

Before the Moderator could finish stating the rules of the Town Meeting a spectator on the floor rose and tried to be recognized, not knowing the proper procedure, would not be seated and wait to be recognized. After much confusion, she finally went to a microphone and asked that the line item "School Budget" be brought up first, "mud, trees, etc." should come after. Later it was announced that the speaker was Elizabeth Wheeler from 29 Glen Road. The motion was accepted and the vote was Yes 267 No 240 to move that line item up in the line of voting.

SCHOOL DEPARTMENT

(Motior by Lester E. White, "I move that it be and hereby is the determination of the School Committee that the sum of $7,393,895 is the amount necessary for the support and operation of the public schools in the Town of Wilmington for the 1981-1982 fiscal year as voted by the Wilmington School Committee at their meeting of June 10, 1981; said vote being five (5) in favor and one (1) opposed, and that the budget for 1981-1982 be reduced by the estimated remaining unspent funds in the federal accounts under public laws 864 and 974 in the amount of $165,000 leaving an amount of $7,228,895 to be raised by taxation. Motion was seconded and voted after 2½ hours discussion. Standing vote was conducted. Yes 303 No 258. Motion so voted. This vote made this line item, $117,017 over Finance Committee recommendations. $ 7,228,895.00

Vocational Training	0
Regional Vocational School District	491,710.00
TOTAL SCHOOL DEPARTMENT	$ 7,720,605.00

Motion by Robert Cain, Selectmen, "I move that each line item in the Fiscal 1982 Budget or groups of line items not be open for reconsideration having once been voted upon until the entire budget has been completed." The voice vote was doubtful. The Moderator then asked for a standing vote. Yes 343 No 168. So voted.

Motion seconded. Motion #2 was taken first as it was the highter figure. Motion lost. Motion #1 was then so voted. Main motion as amended was voted and passed.)		0
Additional Employees		0
Unemployment Payments-Town (No school)		59,400.00
Motion by John J. DeMarco, "I move to change unemployment-non school personnel from $134,858 to read $59,400.) Motion seconded and so voted. Main motion as amened, so voted.		
TOTAL UNCLASSIFIED & RESERVE		910,144.00

The Moderator stated that he would not be taking any reconsiderations until the money articles were all addressed. At this point he asked that we move on to Article 6.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum of money for the purchase of four Police vehicles and further to authorize the sale or turn-in, if any, of the vehicles presently used by the Police Department: or do anything in relation thereto.

Motion by Sterling C. Morris, "I move that the Town vote to raise by taxation and appropriate the sum of $24,000 for the purchase of three Police Vehicles, and at the discretion of the Town Manager authorize the sale or turn-in of the vehicles presently used by the Police Department. Motion seconded and so voted. Main motion as amended so voted, $24,000.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for the observance of Memorial Day and Veterans Day, and that the Moderator appoint a committee who shall arrange and have charge of said observances; or do anything in relation thereto.

Motion by Larz Neilson, "I move that the Town vote by taxation and appropriate the sum of $3,000.00 for the observance of Memorial Day and Veterans' Day, and that the Moderator appoint a committee who shall arrange and have charge of said observances. Motion was seconded and so voted.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of $750.00 each (or a total of $1,500.) for the purpose of renewing under authority of Section 9 of Chapter 40 of the General Laws as amended the lease of:

a. Veterans of Foreign Wars Clubhouse on Main Stree for the purpose of providing suitable headquarters for the Nee-Ellsworth Post No. 2458 of the Veterans of Foreign Wars of the United States.

b. American Legion Clubhouse, Inc.,in Wilmington for the purpose of providing suitable headquarters for the Wilmington Post No. 136 of the American Legion, or do anything in relation thereto.

Motion by Larz Neilson, "I move that the Town vote to raise by taxation and appropriate the sum of $750.00 each (or a total of $1,500.00) for the purpose of renewing under authority of Section 9 of Chapter 40 of the General Laws as amended, the lease of:

ARTICLE 8. (continued)

a. Veterans of Foreign Wars Clubhouse on Main Street for the purpose of Providing suitable headquarters for the Nee-Ellsworth Post No. 2458 of the Veterans of Foreign Wars of the United States.

b. American Legion Clubhouse, Inc. in Wilmington for the purpose of providing suitable headquarters for the Wilmington Post No. 136 of the American Legion.

Finance Committee recommends disapproval. Motion was seconded and so voted, $1,500.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring a parcel of land for Water Department purposes, and to determine how the appropriation shall be raised and to authorize the Board of Water & Sewer Commissioners and/or the Board of Selectmen to purchase, take by eminent domain, or receive as a gift a certain parcel of land for such purposes, said land being described as follows:

Beginning at a point in the northerly sideline of Ainsworth Road, thence N21°05'33"W distant 877.40 feet by land of Corey to a point, thence N71°01'53"W distant 250.00 feet by said land to a point, thence N18°53'13"E distant 712.28 feet by other land of Corey to a point, thence S77°08'10"E distant 283.14 feet by other land of Corey to a point, thence S12°51'50"W distant 704.22 feet by said land to a point, thence N87°06'10"E distant 198.00 feet by said land to a point, thence S00°19'07"E distant 834.24 feet by said land to the point of beginning, being Lot FA containing 8.3 acres all as shown on a plan entitled "Plan of Lot FA, Ainsworth Road, Wilmington, Mass., Scale 1"=100', January 29, 1981 Robert L. Higgins, Town Engineer," a copy of which is on file in the office of the Town Engineer, also being land designated as Parcel 2 on Assessors' Map R1; and to determine how an appropriation shall be raised, whether by transfer from available funds, by borrowing, or otherwise, said funds to be provided from Water Department available surplus funds notwithstanding any provision or limitation of use of available funds as found in MGL Chapter 276 of 1926; or do anything in relation thereto. (Article by Water & Sewer Commission). Finance Committee recommends approval $400.00.

Motion by Arthur Smith, Jr., "I move that the town vote to raise and appropriate $400.00 for the purpose of acquiring a parcel of land for Water Department purposes and to authorize the Board of Water & Sewer Commissioners and/or the Board of Selectmen to purchase, take by eminent domain, or receive as a gift a certain parcel of land for such purposes, said land being described as follows: At this point, the Moderator interrupted, as the motion follows the main motion further reading was not necessary. Motion was seconded and voted. Yes 321 No 0. Transfer from available funds.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main of not less than six (6) inches but less than sixteen (16) inches in diameter for a certain distance in Main Street as shown on a plan on file in the office of the Town Engineer, in accordance with the recommendations of the Board of Water & Sewer Commissioners acting under the provisions of General Laws, Chapter 40, Section 42G through to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise; or do anything in relation thereto. Article by Water & Sewer Commission. Finance Committee recommends approval.

Motion by George R. Allan, "I move that the Town vote to raise and appropriate $22,000. for the purpose of laying a water main of not less than six inches but less than sixteen inches in diameter in accordance with the recommendations of the Board of Water & Sewer Commissioners acting under the provisions of MGL Chapter 40, Section 42G to 42I inclusive, for a certain distance in Main Street as shown on a plan on file in the office of the Town Engineer, and that said appropriation be raised by transfer from Water Department Account #1168, entitled "Water Distribution System". Motion was seconded and so voted, $22,000. transfer.

ARTICLE 17. To see if the Town will vote to discontinue as a Town way the 1946 Layout of Phillips Avenue, and to accept as a Town way the 1981 Layout of Phillips Avenue as prepared by Robert L. Higgins, Town Engineer, as recommended by the Planning Board and approved by the Selectmen under the provisions of General Laws (Chapter 82, as amended, relating to the Laying Out, Alteration, Relocation and Discontinuance of Public Ways and specific repairs thereon) which discontinuance and layout is filed in the office of the Town Clerk, and which with plans therein are hereby referred to for a more particular description; and to authorize the Board of Selectmen to take by right of Eminent Domain such land, slope and drainage or other easements as may be necessary to effect the purpose of this Article, and to determine how an appropriation shall be raised, whether by taxation or by transfer from available funds, by borrowing, or otherwise, for the purpose of construction of said way and for the payment of any damages resulting from the taking of land and slope easements and other easements therefor; or do anything in relation thereto. Finance Committee recommends approval $250.

ARTICLE 17. (continued)

Motion by Sterling Morris. Mr. Morris read the article as printed in warrant and added; "and to vote to raise by taxation and appropriate the sum of $250.00 for the purpose of construction of said way and for the payments of any damages resulting from the taking of land and slope easements and other easements therefor. Motion seconded. Second motion by Marion Woller, "I move to amend the motion by increasing the proposed amount from $250.00 to $880.00, which is approximately $1.00 per square foot. Motion seconded. Second motion was taken first as it was the larger amount. So voted. Main motion so voted as amended, unanimous. Approved for $880.00.

Walter Kaminski called for a short recess to discuss balances available. Upon calling the meeting back to order the Moderator announced that he would take all motions relating to the balance of funds left and then vote on them in order of taking. The amount being considered $99,649.

Motion #1. Walter Kaminski,"I move that the appropriation of $50,000. for the reserve Fund be increased to $149,649."
Motion #2. Sterling Morris, "I move that we amend the School Maintenance and Operations, Salaries-other to the sum of $597,810.00 be raised by taxation."
Motion #3. Antonio Marino, "I move that the $99,649.00 be given to the School Committee to reduce the budget cuts they have absorbed.
Motion #4. John J. DeMarco, "I move that we split the amount of $99,649.00 and add $49,824.00+ to the Building Maintenance budget and $49,824.00+ to the School Department budget.

Motion #1 voice vote, lost.
Motion #2 voice vote questioned. Standing vote taken. Yes 174 No 153, upon the acceptance of this motion the main motion line item School Maintenance salaries other was reconsidered and was so voted in the amount of $597,810.00.

Madeline McKie rose to be recognized asking that we reconsider the Library budget by listing it broken down, line by line. Motion was seconded and immediately voted down by a large voice vote.

Ann Rich tried to get the Unemployment budget to be reconsidered upon the acceptance of her motion the voice vote was close, a standing vote was taken. Yes 153 No 158. Motion to reconsider lost.

Albert Fiorenza was represented by Joe Courtney who at this time tried to get reconsideration for Article 22 of the April 18, 1981 meeting. Motion lost.

Paul Butt rose to have his Article 23 of the April 18, 1981 meeting reconsidered and was also voted down.

The Moderator then asked for a standing ovation for Sterling C. Morris, Town Manager and Walter H. Pierce, Superintendent of Schools both leaving Wilmington as of July 1, 1981. A rousing hand of applause was given and the Moderator then asked for a motion to adjourn. Meeting adjourned at 11:05 P.M.

Attendance at the afternoon session was 650 voters and 52 non-voters. Attendance at the evening session was 370 voters and 17 non-voters.

ARTICLES BY TAXATION		$13,473,667.
AVAILABLE SURPLUS		466,083.

Attest:

Priscilla R.W. Lynch
Town Clerk
Wilmington, Massachusetts

WARRANT FOR SPECIAL TOWN MEETING - SEPTEMBER 14, 1981
WITH ACTION TAKEN THEREON

TO: EITHER OF THE CONSTABLES OF THE TOWN OF WILMINGTON:

GREETINGS: In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-Laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town of Wilmington qualified to vote in Town affairs to meet and assemble at the High School Gymnasium, in said Town of Wilmington on Monday, the fourteenth day of September, 1981 at 7:30 p.m., then and there to act on the following articles:

ARTICLE 1. To see how much money the Town will further appropriate for the expenses of the Town and the salaries of several Town Officers and Departments, and determine how the same shall be raised, whether by taxation, transfer from available funds, or otherwise; or do anything in relation thereto.

ARTICLE 2. To see if the Town will vote to authorize the Selectmen to convey to the care, custody, management and control of the Conservation Commission, as authorized by Chapter 40, Section 8C of the Massachusetts General Laws and amendments thereto, a certain parcel of Town-owned land shown as Parcel 84 on Assessors' Map 9 containing approximately 10,000 square feet; or do anything in relation thereto. Article by Planning Board and Conservation Commission.

ARTICLE 3. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main of not less than six (6) inches but less than sixteen (16) inches in diameter in Lee Street from Glen Road to Garden Avenue as shown on a plan on file in the office of the Town Engineer, in accordance with the recommendations of the Water & Sewer Commissioners acting under the provisions of General Laws, Chapter 40, Section 42G through to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise; and further, to see if the Town will vote to authorize the Water and Sewer Commissioners and/or the Selectmen to purchase or take by eminent domain, or accept as a gift utility easements to effect the purpose of this article; or do anything in relation thereto. Article by Water and Sewer Commission.

ARTICLE 4. To see if the Town will vote to amend Warrant Article 31 passed at the Annual Town Meeting held on April 26, 1980 authorizing the Board of Selectmen to sell a certain parcel of Town-owned land to Mr. Dennis Sullivan thereby amending the description appearing in the aforesaid Warrant Article to read as follows:

A certain parcel of town-owned land shown as Parcel 15 on Assessors' Map 19, bounded and described as follows:

Northerly by Aldrich Road, 130 feet;
Westerly by Mozart Avenue, 160 feet;
Southerly by Lot 420, 66.6 feet;
Easterly by an unnumbered lot and Land Court Case No. 22877 (formerly Lots 89-91) by two distances measuring respectively, 5.00 feet and 106.00 feet.
Being Lots 83-88 inclusive, containing 12,361 square feet, all as shown on a plan entitled "Home Park, Plan No. 3., Wilmington, Massachusetts, owned by J.W. Wilburn, Scale 60 feet equals 1 inch, Jan. 1, 1903."

Reserving unto themselves and the Town of Wilmington for roadway purposes the following described area:

Northerly by Aldrich Road, 130 feet;
Westerly by Mozart Avenue, 46 feet;
Southeasterly by a curve of 25 feet radius 50 feet; through Lot 84
Southerly through Lots 85-88, 87 feet;
Easterly by an unnumbered lot - Land Court; 5 feet
Case No. 22877 (formerly Lots 89-91)
containing 1,010 square feet, and

Reserving unto themselves and the Town of Wilmington for roadway sloping purposes the following described area:

Northerly through Lots 85-88, 87 feet;
Northwesterly by a curve of 25 feet radius 50 feet; through Lot 84
Westerly by Mozart Avenue, 17 feet;
Southeasterly by a curve of 25 feet radius, 50 feet; through Lot 84

ARTICLE 4. (continued)

Southerly through Lots 85-88; 79 feet
Easterly by an unnumbered lot - Land Court 15 feet;
Case No. 22877 (formerly Lots 89-91)
containing 1,848 square feet; or do anything in relation thereto. (Article by Petition.)

ARTICLE 5. To see if the Town will vote to amend the "Revised By-Laws of the Inhabitants of the Town of Wilmington" by adding under Chapter 5 a new Section 37 entitled "General Wetlands By-Law", as follows:

GENERAL WETLANDS BY-LAW

Section 1: Application

The purpose of the By-law is to protect the wetlands of the Town of Wilmington by controlling activities deemed to have a significant effect upon wetland values, including but not limited to the following: public or private water supply, groundwater, flood control, erosion control, storm damage prevention, water pollution, fisheries, wildlife, recreation and aesthetics (collectively, the "interests protected by this by-law").

No person shall remove, fill, dredge, alter or build upon or within one hundred feet or any bank, fresh water wetland, meadow, bog, swamp or upon or within one hundred feet of any estuary, creek, river, stream, pond or lake, or upon or within one hundred feet of any land under said waters or upon or within one hundred feet of any land subject to flooding or innudation, or within one hundred feet of the 100-year storm line, other than in the course of maintaining, repairing or replacing but not substantially changing or enlarging, an existing and lawfully located structure or facility used in the service of the public and used to provide electric, gas, water, telephone, telegraph and other tele-communication services, without filing written application for a permit so to remove, fill, dredge, alter or build upon, including such plans as may be necessary to describe such prposed activity and its effect on the environment, and receiving and complying with a permit issued pursuant to this By-law.

The provisions of this section shall not apply to work performed for normal maintenance or improvement of land in agricultural use.

Such application may be identical in form to a Notice of Intention filed pursuant to Mass. Gen. Laws ch. 131, s.40, shall be sent by certified mail to the Wilmington Conservation Commission (the "Commission"), and must be filed concurrently with or after applications for other variances and approvals required by the Zoning By-law, the Subdivision Control Law or any other by-law or regulation have been obtained. The Commission shall set a filing fee by regulation. Copies of the application shall be sent at the time, by certified mail, to the Board of Selectmen, Planning Board, Town Engineer, Board of Health and the Building Inspector. Upon written request of any person, the Commission shall, within twenty-one days, make a written determination as to whether this by-law is applicable to any land or work thereon. When the person requesting a determination is other than the owner, notice of the determination shall be sent to the owner as well as to the requesting person.

Section 2: Hearing

The Commission shall hold a public hearing on the application within twenty-one days of its receipt. Notice of the time and place of the hearing shall be given by the Commission at the expense of the applicant, not less than five days prior to the hearing, by publication in a newspaper of general circulation of Wilmington and by mailing a notice to the applicant, the Board of Health, Board of Selectmen, Planning Board, Town Engineer, Building Inspector and to such other persons as the Commission may by regulation determine. The Commission, its agents, officers, employees may enter upon privately owned land for the purpose of performing their duties under this by-law.

Section 2.1: Permit and Conditions

If, after the public hearing, the Commission determines that the area which is the subject of the application is significant to the interest protected by this By-law, the Commission shall, within twenty-one days of such hearing issue or deny a permit for the work requested. If it issues a permit after making such determination, the Commission shall impose such conditions as it determines are necessary or desirable for protection of those interests, and all work shall be done in accordance with those conditions. If the Commission determines that the area which is the subject of the application is not significant to the interests protected by this By-law, or that the proposed activity does not require the imposition of conditions, it shall issue a permit without conditions within twenty-one days of the public hearing. Permits shall expire one year

from the date of issuance, unless renewed prior to expiration, and all work shall be completed prior to expiration.

Section 2.2: Relationship to Mass. Gen. Laws Ch. 131, S. 40

The Commission shall not impose additional or more stringent conditions pursuant to Mass. Gen. Laws Ch. 131, s. 40 than it imposes pursuant to this By-law, nor shall it require a Notice of Intention pursuant to s. 40 to provide materials or data in addition to those required pursuant to this By-law.

Section 3. Emergency Projects

This By-law shall not apply to any emergency project as defined in Mass. Gen. Laws. Ch.131, s.40.

Section 4. Pre-Acquisition Violation

Any person who purchases, inherits or otherwise acquires real estate upon which work has been done in violation of the provisions of this By-law or in violation of any permit issued pursuant to this By-law shall forthwith comply with any such order or restore such land to its condition prior to any such violation; provided, however, that no action, civil or criminal, shall be brought against such person unless commenced within three years following the date of acquisition of the real estate by such person.

Section 5. After due notice and public hearing, the Commission may promulgate rules and regulations to effectuate the purposes of this By-law. Failure by the Commission to promulgate such rules and regulations or a legal declaration of their invalidity by a court of law shall not act to suspend or invalidate the effect of this By-law.

Section 6: Burden of Proof

The applicant shall have the burden of proving by a preponderance of the credible evidence that the work proposed in the application will not harm the interests protected by this By-law. Failure to provide adequate evidence to the Commission supporting a determination that the proposed work will not harm the interests protected by this By-law shall be sufficient cause for the Commission to deny a permit or grant a permit with conditions, or, in the Commission's discretion, to continue the hearing to another date to enable the applicant or others to present additional evidence.

Section 7: Definitions

The following definitions shall apply in the interpretation and implementation of this By-law.

Section 7.1 The term "person" shall include any individual, group of individuals, association, partnership, corporation, company, business organization, trust, estate, the Commonwealth or political subdivision thereof to the extent subject to town by-laws, administrative agencies, public or guasi-public corporations or bodies, the Town of Wilmington, and any other legal entity, its legal representatives, agents or assigns.

Section 7.2 The Term "alter" shall include, without limitation, the following actions when undertaken in area subject to this By-law:

(a) Removal, excavation or dredging of soil, sand gravel or aggregate materials of any kind;
(b) Changing drainage characteristics, flushing characteristics, salinity distribution, sedimentation patterns, flow patterns and flood retention characteristics;
(c) Drainage or other disturbance of water level or water table;
(d) Dumping, discharging or filling with any material which may degrade water quality;
(e) Driving of piles, erection of buildings or structures of any kind;
(f) Placing of obstructions whether or not they interfere with the flow of water;
(g) Destruction of plant life, including cutting of trees;
(h) Changing of water temperature, biochemical oxygen demand or other physical or chemical chemical characteristics of the water.

Section 7.3 The term "banks" shall mean that part of land adjoining any body of water which confines the water.

Section 7.4 Agricultural Practices

(a) The term "land in agricultural use" shall mean any qualifying wetland within a farm which is qualified or eligible to be qualified under the Farmland Assessment Act, Mass. Gen. Laws ch.61A, ss. 1-5.
(b) The term "qualifying wetland" shall mean only inland fresh water areas which are seasonally flooded basins or flats or inland fresh meadows.
(c) The term "normal maintenance or improvement" of land in agricultural use shall mean only:

ARTICLE 5. (continued)

1. Tilling practices customarily employed in the raising of crops;
2. Pasturing of animals, including such fences and protective structures as may be required;
3. Use of fertilizers, pesticides, herbicides, and similar materials subject to state and federal regulations covering their use;
4. Constructing, grading, or restoring of field ditches, subsurface drains, grass waterways, culverts, access roads, and similar practices to improve drainage, prevent erosion, provide more effective use of rainfall, improve equipment operation and efficiency, in order to improve conditions for the growing of crops.

(d) "improvement" of land in agricultural use may also include more extensive practices such as the building of ponds, dams structures for water control, water and sediment basins, and related activities, but only where a plan for such activity approved by the Conservation District of the Soil Conservation Service is furnished to the Conservation Commission prior to the commencement of work.

All such activity shall subsequently be carried out in accord with said plan. In the event that the work is not carried out in accordance with the required plan, the Conservation Commission may place a stop order on said work and have recourse to such measures as if the plan were an order of conditions.

Section 7.5 The Commission may adopt additional definitions not inconsistent with this Section 7 in its regulations promulgated pursuant to Section 5 of this By-law.

Section 8. Security

The Commission may require, as a permit condition, that the performance and observance of other conditions be secured by one or both of the following methods:

(a) By a bond or deposit of money or negotiable securities in an amount determined by the Commission to be sufficient and payable to the Town of Wilmington;

(b) By a conservation restriction, easement or other covenant running with the land, executed and properly recorded (or registered, in the case of registered land).

Section 9. Enforcement

Any person who violates any provision of this By-law or of any condition or a permit issued pursuant to it shall be punished by a fine of not more than $200. Each day or portion thereof during which a violation continues shall constitute a separate offense; if more than one, each condition violated shall constitute a separate offense. This By-law may be enforced pursuant to Mass. Gen. Laws ch. 40, s.21D, by a Town police officer or other officer having police powers.

Upon request of the Commission, the Board of Selectmen and Town Counsel shall tanke such legal action as may be necessary to enforce this By-law and permits issued pursuant to it.

WILMINGTON'S WETLAND BY-LAW XXXVII

FEE SCHEDULE

RULES:

1) Permit fees are payable at the time of application and are non-refundable.
2) Permit fees shall be calculated by this department per schedule below.
3) Town, County, State or Federal projects are exempt from fees.
4) No fee is charged for Requests of Determination under the law or extensions of Order of Condition.
5) Failure to comply with the law after official notification shall result in fees twice those normally assessed.

FEES:

1) Wetlands By-law Hearing -- $25.00
   (i.e. dwelling, tennis court, swimming pool, bridge, etc.)
2) Multiple dwelling units shall be charged $25.00 per dwelling unit.
3) Commercial and industrial projects: $25.00 + $5.00 per $10,000 of established general construction cost over $100,000.

or do anything in relation thereto. Article by Conservation Commission.

Hereof fail not and make due return of this Warrant, or a certified copy thereof with your doings thereon to the Town Clerk as soon as may be and before said meeting.

Given under our hands and seal of said town this 25th day of August, A.D. 1981.

Board of Selectmen
A. John Imbimbo, Chairman
Rocco V. DePasquale
Robert J. Cain
Attest: Daniel H. Ballou, Jr.

SPECIAL TOWN MEETING, WILMINGTON, MASSACHUSETTS - SEPTEMBER 14, 1981

On September 14, 1981 at 7:50 P.M. the Moderator, John Callan noted that with a quorum being present the meeting could begin. Before proceeding with the business at hand, Mr. Callan had some sad news and some glad news. First, sorry to see that Aldo Caira had resigned, secondly that his son Michael Caira had been appointed by the remaining board members to fill the vacancy until April election. The Moderator was reading the warrant when he was interrupted by A. John Imbimbo with the motion, I move that the Moderator dispense with further reading of the Warrant and take up and make reference to each article by number. Motion was seconded and so voted.

Article 1. To see how much money the Town will further appropriate for the expenses of the Town and the salaries of several Town Officers and Departments, and determine how the same shall be raised, whether by taxation, transfer from available funds, or otherwise; or do anything in relation thereto. Finance Committee recommends approval.

Motion by A. John Imbimbo, "I move that the several and respective sums as recommended by the Finance Committte be raised by taxation or transfer from available funds and appropriated for the purposes set forth in Article 1." Each line item to be taken up and voted subject to amendment.

Article 1. Line 1 - Account #960 - Approved. 230,000.00

Line 2 - Account #600 - Approved. 309,000.00

(Line 2 caused much discussion due to the fact that the old Swain School was opened instead of one of the newer schools. After one hour of discussion a motion was made to stop debate. A two-thirds vote being needed, a standing vote was taken. Yes 148 No 287. Motion lost. Further discussion went on until 9:55 p.m. A standing vote was then taken on Line 2. Yes 399 No 40. The motion for the above line was read by John D. Brooks, Chairman of the School Committee. "In compliance with Chapter 71, Massachusetts General Statute,"I move that it be and hereby is the determination of the School Committee that the additional sum of $309,000. is the amount necessary for the support and operation of the public schools in the Town of Wilmington for the 1981-1982 fiscal year as voted unanimously by the Wilmington School Committee at its meeting of August 19, 1981. A breakdown of these figures is as follows: Principal - $29,424. Secretarial - $14,844. Teachers - $162,969. Specialist - $53,016. Guidance - $42,884. Utilities - $5,863. Total - $309,000. A motion was made by Rhonda Lutz, "Any monies allocated to the School Deptartment that will be used for the Swain School, be allocated to be used toward the opening and running of the Glen Road School." This amendment was declared illegal as no mention was made in the warrant of any such appropriation, and the town meeting floor had no say in what the School Committee decided other than to give public opinion.)

Line 3 - Account #700 - Approved. 15,000.00

Line 4 - Account #900 - Approved. 35,000.00

Line 5 - Account #985 - (Motion by Reginald Stapczynski, "I move that the sum of ($50,000. be reducted from Account #985, Unemployment Payments, to fund the $15,000. appropriation by transfer to Account #700, Maintenance of Public Buildings, Other and that the $35,000. appropriation by transfer to Account #900, Reserve Fund. At this point, Mr. Belbin asked to submit a motion. The Moderator and Town Counsel declared the motion illegal, and the main motion was voted as originally made and seconded. The vote was yes by voice vote. The above motion, unless otherwide stated were voted by voice vote and so declared by the Moderator as so voted.) The Moderator now stated he would entertain the motion by Mr. Belbin, stating that he was still uncertain -50,000.00

as to its legality. Motion by Mr. Belbin, "I move that a vote be taken to transfer the sum of $6,000. from account #985 Unemployment Compensation Account, to the Council on Aging Account." The motion was seconded and so voted by a voice vote.

Article 2. To see if the Town will vote to authorize the Selectmen to convey to the care, custody, management and control of the Conservation Commission, as authorized by Chapter 40, Section 8C of the Massachusetts General Laws and amendments thereto, a certain parcel of Town-owned land shown as Parcel 84 on Assessors' Map 9 containing approximately 10,000 square feet; or do anything in relation thereto. Finance Committee recommends approval. Article by Planning Board and Conservation Commission.

Motion by John DeRoy, "I move that the Town vote to authorize the Selectmen to convey to the care, custody, management and control of the Conservation Commission, as authorized by Chapter 40, Section 8C of the Massachusetts General Laws and amendments thereto, a certain parcel of Town-owned land shown as Parcel 84 on Assessors' Map 9 containing approximately 10,000 square feet." Two-thirds vote required. A voice vote was taken and the Moderator declared the vote, unanimously. Motion so voted.

At this point Mr. John Brooks of the School Committee announced that at a meeting called for September 16th the committee would discuss and investigate the Swain School conditions.

Article 3. To see if the Town will vote to raise and appropriate a sum of money for the purpose of laying a water main of not less than six (6) inches but less than sixteen (16) inches in diameter in Lee Street from Glen Road to Garden Avenue as shown on a plan on file in the office of the Town Engineer, in accordance with the recommendations of the Water & Sewer Commissioners acting under the provisions of the General Laws, Chapter 40, Section 42G through to 42I inclusive, and determine how the appropriation shall be raised, whether by taxation, by transfer from available funds, by borrowing, or otherwise; and further, to see if the Town will vote to authorize the Water & Sewer Commissioners and/or the Selectmen to purchase or take by eminent domain, or accept as a gift utility easements to affect the purpose of this article; or do anything in relation thereto. Finance Committee recommends approval. Article by Water and Sewer Commissioners.

Motion by Arthur Smith, "I move that the Town vote to raise and appropriate $22,000.00 for the purpose of laying a water main of not less than six (6) inches by less than sixteen (16) inches in diameter in Lee Street from Glen Road to Garden Avenue, an approximate distance of 650 feet, as shown on a plan on file in the office of the Town Clerk, in accordance with the recommendations of the Water & Sewer Commissioners acting under the provisions of General Laws, Chapter 40 Section 42G through 42I inclusive, and that said appropriation be raised by transfer from the Water Department Account #1168, entitled "Water Distribution System", and to effect the purpose of this article, that the Town vote to authorize the Water & Sewer Commissioners and/or the Board of Selectmen to take by eminent domain or receive as a gift an easement from Glen Road to the center line of Garden Avenue for utilities, including, but not limited to, water, sewer and drains." Two-thirds vote needed. Motion seconded. A voice vote was taken and the Moderator declared the to be unanimously. So voted.

Article 4. To see if the Town will vote to amend Warrant Article 31 passed at the Annual Town Meeting held April 26, 1980 authorizing the Board of Selectmen to sell a certain parcel of Town-owned land to Mr. Dennis Sullivan thereby amending the description appearing in the aforesaid Warrant Article to read as follows:

A certain parcel of town-owned land shown as Parcel 15 on Assessors' Map 19, bounded and described as follows:

Northerly by Aldrich Road, 130 feet;
Westerly by Mozard Avenue, 160 feet;
Southerly by Lot 420, 66.6 feet;
Easterly by an unnumbered lot and Land Court Case No. 22877 (formerly Lots 89-91) by two distances measuring respectively, 5.00 feet and 106.00 feet.

Being Lots 83-88 inclusive, containing 12,361 square feet, all as shown on a plan entitled "Home Park, Plan No. 3., Wilmington, Massachusetts, owned by J.W. Wilbur, Scale 60 feet equals 1 inch, January 1,1903

Reserving unto themselves and the Town of Wilmington for roadway purposes the following described area:
Northerly by Aldrich Road, 130 feet;
Westerly by Mozart Avenue, 46 feet;
Southeasterly by a curve of 25 feet radius 50 feet; through Lot 84
Southerly through Lots 85-88, 87 feet
Easterly by an unnumbered lot - Land Court 5 feet, Case No. 22877 (formerly lots 89-91)

containing 1,010 square feet, and
Reserving unto themselves and the Town of Wilmington for roadway sloping purposes the following described area:

Northerly through Lots 85-88; 87 feet
Northwesterly by a curve of 25 feet radius; 50 feet
through Lot 84
Westerly by Mozart Avenue; 17 feet
Southeasterly by a curve of 25 feet radius; 50 feet
through Lot 84
Southerly through Lots 85-88; 79 feet
Easterly by an unnumbered lot - Land Court; 15 feet
Case No. 22877 (Formerly Lots 89-91)
containing 1,848 square feet; or do anything in relation thereto.

Finance Committee recommends approval.

Motion by Leo Campbell, to read the same as the main article. Motion was seconded and voice vote was taken. Vote declared unanimously by the Moderator. So voted.

Article 5. To see if the Town will vote to amend the "Revised By-Laws of the Inhabitants of the Town of Wilmington" by adding under Chapter 5 a new Section 37 entitled "General Wetlands By-Law". as follows:

Finance Committee recommends that this article be tabled until it has been reviewed by the By-Law Study Study Committee. Planning Board recommends disapproval of this article.

Motion by Chester Bruce, motion is as the main motion with the Fee Schedule being deleted. Motion was seconded and after much discussion an amendment was made by Joseph Courtney. "I move that the "General Wetlands By-Law be returned to the Board of Selectmen for referral to the By-Law Study Committee for further study. Mr. Courtneys amendment needed a majority vote. Standing vote was taken. Yes 137 No 74. The main motion as amended to refer to Selectmen and By-Law Committee was voted by voice vote. The Moderator declared the amended article so voted.

A motion was made to adjourn the meeting with no further business to come before it. Motion was seconded and meeting was adjourned at 11:20 p.m.

There were 574 registered voters attending and 31 non-voters.

By Taxation	$539,000.
By Transfer	$ 78,000
